Clarification of News Report

We write with respect to the news articles published in various online news sites on July 21, 2020. In the attached news article entitled “GMA Network forecasts higher income this year” posted in Manila Standard (Online Edition), it was reported in part that:

“GMA Network Inc., the main rival of ABS-CBN Corp. which went off the air in May, said Monday it expects net profit to be higher this year despite the drop in first-quarter earnings brought about by the health crisis.

‘In terms of bottom line results, given a steady top line coupled with cost-cutting measures implemented by the network, we are optimistic that we can surpass 2019 net profit,’ GMA chairman and chief executive Felipe Gozon said in an e-mail to Manila Standard......
