International Distribution: *Optimizing revenue opportunities amid changing TV landscape*

The Company's television programs are distributed outside the Philippines in a number of ways. Through GMA International, the Network distributes subscription-based international linear channels – GMA Pinoy TV, GMA Life TV, and GMA News TV International. Meanwhile, GMA International, GMA Worldwide, Inc., and GMA New Media Inc. (a wholly-owned subsidiary of the Company), also distribute non-linear content through Video On Demand (VOD) service.

GMA International continues to establish global and multi-platform exposure and presence for the Network that brings the company's programs to Filipino communities around the world. Live linear channels and video on-demand services are all distributed both through the traditional (DTH, cable, IPTV) and digital Over The Top platforms, with TV Everywhere distribution where available. GMA International's distribution footprint covers various territories in North America (US & Canada), APAC, MENA, Europe, the Caribbean Islands and South Pacific islands. Meanwhile, through GMA Worldwide,

Inc. (GWI), GMA Network's locally produced programs are distributed on all platforms through worldwide syndication sales to broadcasters/companies in China, Southeast Asia, Africa, and Europe.

Under the carriage and licensing agreements with international payTV operators, GMA International receives license fees from linear channel and VOD subscriptions. It is also allocated a certain number of advertising minutes where advertising spots are sold through GMA Sales and Marketing Group (SMG). Aside from these, GMA International's revenue stream also includes advertising from digital/social media outlets, pay-per-view, sponsorships from events and ticket sales.

GMA PINOY TV

Launched in 2005, GMA Pinoy TV delivers to an international audience the Company's most popular news and public affairs and general entertainment programs. The Company operates GMA Pinoy TV through which it offers subscription-based programs internationally.

GMA LIFE TV

GMA Life TV, GMA Network's second international channel, was launched three years after the success of GMA Pinoy TV. More than just offering mainstream entertainment, GMA Life TV engages more viewers with its exciting line-up of heart-warming and innovative programs that feature the Filipinos' lifestyle and interests. Given the unique features of GMA Life TV and the availability of English-dubbed and English-subtitled programs, its viewership has expanded beyond the Filipino market to a wider, non-Filipino speaking audience.

GMA NEWS TV INTERNATIONAL

In September 2011, GMA Network began distributing GMA News TV International in order to provide overseas Filipinos with the latest, most comprehensive, and most credible news coverage from the Philippines. It offers internationally acclaimed and award-winning news and public affairs programs with 7 to 8 hours of original content daily.

GMA On Demand

A collection of the best of the best, GMA Network's video on demand products are a mix of top-rating dramas, blockbuster movies from mainstream and internationally-acclaimed independent filmmakers, award-winning public affairs programs, and well-loved lifestyle shows. These products are available as standalone products or as a complement to GMA International's linear channels.

CONVERGING TECHNOLOGY

GMA New Media, Inc. is GMA Network's digital media and technology arm in charge of R&D, Software Design & Development, Systems Integration, and Quality Assurance. Since its inception in July 2000, it has launched category-breaking projects in the web, mobile, digital television, and other new and emerging platforms.

GMA NMI AS GAMECHANGER

Back in the days when traditional and new media had clear boundaries, GMA NMI had the audacity to blur the borders. It was the first to enable mobile and TV to talk to each other, ushering in the era of SMS-TV.

Two decades later, NMI continues to be at the top of its game.

As GMA Network's innovation center and de facto future-proofing agent, GMA NMI spearheads the design and implementation of the media giant's grand digital blueprint aimed to ensure the Company's leadership in the digital era.

WEB

Online Publishing

In its early years, NMI launched GMA Network's official entertainment website, iGMA.tv<<http://iGMA.tv>>, and its official news website, GMA News Online<<http://GMAnews.tv>>. Both websites won local and international acclaim as well as loyal patronage among Filipinos here and abroad.

NMI launched www.GMANetwork.com<<http://www.gmanetwork.com/>> in late 2011 to consolidate all of GMA Network's web properties into a single portal. The GMA Network portal won in the Digital Filipino Web Awards in 2014 for the Television category, an indication that the move was a masterstroke in establishing the GMA Network's dominant presence online.

As of 2020, GMANetwork.com<<http://GMANetwork.com>> generated 2.07 billion page views and 21.7 million users. Meanwhile, GMA News Online ended the year with 709.3 million page views and 15.2 million users.

Synergies from the Social Media team and the editorial team to enhance overall user experience, as well as NMI's non-stop back-end upgrades, helped sustain improvements in web metrics.

NMI entered into a joint venture with Summit Media and launched PEP.ph<<http://PEP.ph>>, the leading showbiz news portal in the Philippines. It also launched SPIN.ph<<http://SPIN.ph>> or Sports Interactive Network, currently the No. 1 sports website based on recent data from Similar Web. NMI provides the technology back-end of said sites. The joint venture is a way for GMA Network to capture a bigger slice of the online audience share by targeting readers who are keen on sports and entertainment.

MOBILE

NMI pioneered interactive TV in the Philippines with the launch of SMS-TV services in "Debate" and Startalk, and Eat Bulaga's Cool Dudes segment. This laid the foundation for succeeding SMS-TV initiatives that carried NMI through several years of growth and profit.

NMI also introduced SMS technology to Philippine broadcast TV and was the first to launch an interactive chat and gaming show called Txtube.

NMI has developed and maintained the iOS and Android apps of GMA News Online and GMA Network with regular updates and optimizations such as the addition of Dark Mode, Facebook registration, and interstitial ad support. The mobile apps allow people easy access to GMA content using their handheld devices. The GMA Network portal mobile app was also launched and was designed to be the perfect mobile companion to top-rating GMA Network's shows.

CONVERGENT MEDIA

NMI worked closely with GMA Marketing and Promotions, Incorporated (GMPI, now Sales & Marketing Group, or SMG when it was absorbed by GMA Network) in the launch of innovative convergent media campaigns such as Win Mo Kapuso and Win Mo Pamasko. The combination of TV plus new media has

become a valuable strategic offering for clients in terms of ensuring the widest possible reach for both online and offline audiences.

In collaboration with GMA News and Public Affairs, NMI launched IMReady, a one-stop online portal for public safety information to aid in traffic and disaster awareness and preparedness. The project aims to provide the public with timely and relevant information to minimize risks and better prepare them during emergency situations. It also enables the public to plan their routes and itineraries through its partnership with Waze.

BROADCAST

Election Coverage

NMI has maintained its track record of providing GMA News and Public Affairs with speedy and accurate delivery of election results using the latest technologies.

In 2013, NMI spearheaded the count operations in Parish Pastoral Council for Responsible Voting (PPCRV) by acquiring, extracting, and prioritizing data from the Commission on Elections (COMELEC) before sending it to GMA News and Public Affairs for processing.

To achieve multi-screen pervasiveness, NMI provided the most comprehensive election count data across all platforms—from television to mobile and the Internet. The team deployed its proprietary search engine that enabled users of GMA News Online and its mobile app (in both Android and iOS) to retrieve election count data in the Search Results. While all the other websites and apps were incapable of integrating the count results in their search, NMI's proprietary search returned the most relevant results for all candidates during election time.

NMI served the same function of ensuring fast and accurate delivery of election results for succeeding Eleksyon coverages.

In 2016, NMI launched the Eleksyon 2016 microsite in February, with new features such as the Candidates Section where visitors can get to know more about those running for top positions that year, as well as the Campaign Tracker where the candidates' daily schedules were plotted on a map with a short description of their itinerary. NMI also added information that summarized the demographics of the country's registered voters.

Using a proprietary technology developed by GMA NMI, GMA News Online also offered "Smart Search" that made it faster and easier for site visitors to find results by candidate, place or position. NMI also powered GMA Network's first-ever 360-degree livestream of the PiliPinas Debates 2016.

For the Eleksyon 2019 website, new features were introduced, such as Heat Maps which gave users a breakdown of which areas that aspirant fared well, and Vote Graphs, which showed the voting performance for each candidate over time as election returns were processed.

Digital TV

As its future-proofing agent, NMI spearheads the Network's digital transformation from a broadcast giant into a dominant multi-platform content provider. In line with this vision, on February 7, 2020, NMI launched GMA Now, a mobile digital terrestrial television (DTT) receiver that can be plugged into an Android phone. It allows users to watch live TV on the go for free, and enjoy interactive features such as video-on-demand, Grouper, a messaging service, and interactive promos and quizzes.

NMI AS BUSINESS CENTER

NMI has two main business units that help fulfill its role as a business center. The first is Online Publishing, which covers all GMA websites and mobile applications, from development to publishing to Programmatic Advertising and audience building.

The second is the newly formed New Business Development group called NMI Solutions. This group provides B2B solutions for companies and aims to be the preferred Service Provider for Digital and IT Transformation. Some of these services are Systems Integration, Application Development, IT Services Management, and Creative Content creation.

NMI AS GMA'S CONDUIT TO INDUSTRY PARTNERS

The Digital Age is marked by constant change and dynamism and favors those who can manage to be constantly ahead of the competition. It is in this context that NMI perceives its mandate to ensure that GMA Network is always at the leading edge in the digital space.

GMA NMI manages relationships with major telecommunications companies in the Philippines and abroad, and with leading global brands such as Google, YouTube, Facebook, and Waze, to name some. It likewise serves as a conduit to advertising agencies and digital distribution partners meant to create new avenues for incremental revenue and expand the reach of GMA content, both in the local and international markets.

Among all the revenue channels, we see impressive growth in the AVOD (Advertising Video-on-Demand) channel. With NMI's efforts focused on growing the subscriber base and increasing watch time, we have seen revenues follow and show exponential growth year-on-year. YouTube continues to be the major contributor of revenues, with GMA Network YouTube channels ending 2020 with 11.9 Billion views, 12% higher than 2019's total views.

GMA Network Creator Awards received this year are as follows:

- Diamond – GMA Public Affairs YT Channel
- Gold – GMA Playground YT Channel
- Silver – My Guitar Princess YT Channel
- Silver – YouLOL YT Channel
- Silver – GMA Regional TV YT Channel

Diamond = 10M subscribers

Gold = 1M subscribers

MOVIE PRODUCTION

GMA Network Films, Inc. is a wholly owned subsidiary of GMA Network, Inc. that produces movies catering to both local and international markets. Its productions have reaped both critical acclaim and commercial success, foremost among them the Philippine Centennial offering "Jose Rizal" and "Muro Ami," the biggest blockbuster movies of 1998 and 1999. Repositioned as an entity that complements GMA Network's talent development initiatives, GMA Films was reactivated in late 2004, with its initial offering "Let the Love Begin" followed by the blockbuster hits "I Will Always Love You" and "Till I Met You." It went on to produce more commercial movies such as Lovestruck, Ouija, The Promise, My Bestfriend's Girlfriend, I.T.A.L.Y, One True Love, When I Met You, Working Girls, Temptation Island, The Road, Of All The Things, My Lady Boss, and more.

In 2019, after a five-year hiatus from production, GMA Network Films, Inc. is ready to make its presence felt again to a new audience, this time under two distinct brands - GMA Pictures, which will produce major studio-scale movies for the broad Filipino movie-going market; and Backyard Productions, which aims to target younger audiences looking for an alternative, unconventional stories that offer a fresh, out of the box movie experience, as well as mainstream audiences looking for movies that offer quirky new spins on life.

Music and Video Recording

RGMA Marketing and Productions, Inc. (GMA Music) was incorporated in September 1997 and became operational in 2004 after the Company decided to reactivate its musical recording business through the "GMA Music" label. Since resuming operations, GMA Music has leveraged the Company's talent and media resources, releasing music albums of various artists.

GMA Music works with GMA New Media and other local-based content providers and aggregators to take advantage of new revenue streams, particularly in the market of digital music downloading and streaming. The GMA Music also secured non-exclusive mobile, web and kiosk-based deals with different content providers worldwide to continuously exploit the potentials of its music and video assets.

GMA Music publishes music and administers copyrights on behalf of composers. GMA Music is also actively pursuing publishing deals, building on its current catalog of original compositions. GMA Music serves as a clearinghouse and a source of music for the Company's television and film productions. It is also a member of FILSCAP, the Filipino Society of Composers, Authors and Publishers and SoundsRight.

Last May 2017, GMA Music ventured into concert production since as a record label, it is much abreast with the live performance circuit and is knowledgeable of the current music scene. Producing concerts enables GMA Music to exploit album productions and showcase the musical talents of GMA artists.

B. Management Discussion and Analysis of Financial Condition and Results of Operations for the Nine Months Ended September 30, 2021 and 2020

After three quarters this year, GMA Network, Inc. and Subsidiaries (GMA/the Company) continued to dominate the television broadcast industry. While the whole world, particularly the economy continued to battle the adverse effects of the protracted COVID-19 pandemic, GMA managed to display resiliency and the ability to rise above the challenges and difficulties that beset the entire nation. Fortunately for the Company, the core business of broadcasting proved to be an essential commodity during these times – when the most updated and relevant news and information becomes a staple for the general population and when entertainment and public affairs programs become sources of the much-needed breather. Undeterred, GMA has embarked on expanding its reach and services, more so since the Company has become the primary source of free-to-air broadcasting within the archipelago.

For the past nine months this year, a new digital channel called *I Heart Movies* which featured a diverse roster of films of different genres and origins was launched in Q1 along with the regular broadcast of the DepEd channel in support of the blended learning advocacy of the Department of Education. These channels complete the Digital Terrestrial TV (DTT) line-up of the Company together with *Heart of Asia* and *Hallypop* which saw initial broadcast in 2H last year. Meanwhile the first ever partnership of the Company with the oldest collegiate athletic association in the country – NCAA, also came to fruition. The collaboration aired its maiden broadcast in GMA's Good TV (GTV) in mid-June via *Rise Up Stronger: NCAA Season 96*, culminating the season's events in the third quarter. It was also in the third quarter when political advocacies started to make their presence felt in the airwaves in preparation for next year's national election. With these endeavors and several more in the pipeline, GMA remains on track vis-à-vis its target financial and operational objectives.

For the past nine months this 2021, consolidated revenues of the Company reached unprecedented heights at ₱16,556 million, cementing a ₱3,900 million or 31% improvement from year ago's ₱12,657 million. Advertising revenues propelled the increase in the top-line with a whopping ₱4,008 million in incremental sales. All airtime-revenue generating platforms yielded upbeat sales results versus same period last year. Consumer sales on the other hand ended September-to date this year behind revenues of comparable period in 2020. Sale of services which included subscription income, subsidiaries' operations and others, sealed nine-month top line at ₱689 million, down by ₱87 million versus a year ago. Meanwhile, Sale of goods also dipped by 5% in between comparable periods. Nonetheless, these setbacks did not make a dent in the total revenue improvement of the Company for this year.

While consolidated revenues registered sizeable gains, the Company's total consolidated operating expenses (OPEX) from January to September amounting to ₱8,718 million likewise grew by ₱1,659 million, albeit at a slower rate of 24%, versus the growth in the top line. Direct cost was the main driver for the escalation in expenditures owing to the back to (new) normal activities of the Company. This cost category hiked by ₱949 million or about 34% from same period last year. Meanwhile, consolidated general and administrative expenses (GAEX) also grew by 17%, finishing off at ₱4,968 million by the close of three quarters this 2021.

Bolstered by healthy revenues throughout the year, consolidated Earnings before interest, taxes, depreciation and amortization (EBITDA) reached ₱9,108 million, 40% higher than last year's tally. In the same manner, consolidated Net Income after tax for the nine months ended September soared to ₱6,016 million, trumping last year's ₱3,909 million by ₱2,107 million. The improvement in this year's NIAT was also buoyed by the reduction in the regular corporate income tax rate from 30% to 25% following the passing into law of the Corporate Recovery and Tax Incentives for Enterprises (CREATE) Act last April 15, 2021.

Revenues

With GMA's broadcasting operations currently enjoying the widest reach in the free-to-air arena, consolidated sales of the Company for the past nine months breached the ₱16.0-billion mark, at ₱16,556 million. Against same period last year this translated into a 31% upshot. Advertising revenues comprised 93% of the total revenue pie and was also the driver for the considerable improvement in the top line – both through airtime sales and through the Company's presence in the online landscape.

Consumer sales on the other hand resulted in a moderate reduction by ₱108 million or shy by 9% for the nine-month period this year versus a year ago.

Revenues	9M 2021 <i>(in millions PhP)</i>	9M 2020 <i>(in millions PhP)</i>	Inc/(Dec) <i>(in millions PhP)</i>	%

	16,556.47	12,656.73	3,899.74	31%

On a per channel basis, flagship channel GMA-7 grabbed the lion's share in the total revenue pie with more than three quarters of the Company's consolidated top line. The channel's sales grew by 32% versus year ago's peg and contributed the biggest chunk of the total sales hike in between periods. This year's top-line growth was influenced by the improvement in both average rate per minute as well as total minutes load. The incremental minutes this year was buoyed by some advertisers shifting to GMA when ABS-CBN went off-air starting May last year owing to the expiration of its franchise and its eventual non-renewal. Furthermore, during the third quarter of this year, political advocacies already started to trickle in, thus providing additional sources of revenues.

Radio operations followed with the next highest airtime sales for the Company. Compared to last year, the business unit recorded a 25% climb in its top line, likewise aided by some contribution from political advocacy placements. Cebu and Provincial stations' combined sales comprised nearly half of Radio's total revenues and also propelled the increase with a 46% upswing in sales against same period in 2020. Lead AM station, *DZBB Super Radyo* also posted better revenues which was considerably higher by 49% from last year. Meanwhile Barangay LS FM 97.1 also sealed the past three quarters with a 36% revenue uptick from a year ago.

After three quarters this year, Regional TV (RTV) has cemented its lead against a year ago, nearly doubling its sales by 97%. The platform likewise grabbed third highest spot in airtime advertising generation. By the end of September, both national and local sales posted incremental revenues with the influx of political advocacies also boosting RTV's sales. Among the regional stations, noteworthy improvements were seen in the Mindanao-based stations this year, with increases up by triple-digit percentages. The rest of the stations were equally ahead of prior year's sales performances by noteworthy percentages. New regional stations are likewise set to be launched by the 4th quarter of this year.

In the meantime, for the newly reprogrammed channel Good TV or GTV, first nine months' sales packed a 34% improvement versus same period last year. All production units with the exception of News programs recorded incremental sales this 2021. The decline in news programs' revenues was attuned to the changes in programming mix as last year basically featured the *teleradyo Dobol B* from morning until early evening to address the public's need for real time and round-the-clock news updates especially in the midst of the pandemic and community quarantine protocols. Meanwhile, this year's additional revenues also came from the partnership of the Company with NCAA. On the other hand, DTT channels comprised of *Heart of Asia*, *Hallypop*, *I Heart Movies* and *DepEd* further added fresh sales for the company which is far better than a year ago considering the timing of the launch of the first DTT channel only in June 2020.

Advertising revenues from online/digital was another area that displayed upbeat sales, finishing off the nine-month period this year with an improvement by 51% in its top line in between period. With the

changing landscape in consumer/viewer preferences and habits as well as the trends in technology, this platform becomes vital in establishing the presence of the Company as an equally dominant player in this field.

International operations (subscriptions and syndication) lagged behind last year's top-line performance, ending three quarters of 2021 with a reduction in sales. Subscription revenues posted a 16% drop from last year due to the attrition in subscriber count mainly of banner channel GMA Pinoy TV. Aggravating the above was the appreciation of the PhP against the USD by an average of ₱0.97 to USD1 or by almost 2%. Syndication revenues were likewise down by 25% by the close of three quarters this year versus a year ago.

Finally, Merchandise sales from January to September this year reached ₱392.69 million mainly from GMA Affordabox with more than 600,000 units of the set-top box sold during the period and from sales of GMA Now. The Company's on-the go digital receiver/dongle.

Consolidated total operating expenses (OPEX) of the Company concluded the past nine months this year at ₱8,718 million, escalating by ₱1,659 million or 24% versus last year's ₱7,059 million. Even as the pandemic dragged up to this day and different levels of community quarantines still persisted, the Network has resumed production of original programs, seeing the need to deliver superior entertainment to its audience. Both consolidated direct cost and general and administrative expenses exhibited growths in between periods arising from the increased operations of the Company.

Production costs and talent fees hiked at ₱3,440 million over the nine-month period this year, translating into an increase of ₱985 million or 40% from comparable period's ₱2,455 million. Since start of the year, majority of the timeslots already featured fresh episodes, albeit mixed with some occasional reruns. This was in stark contrast to the entire second quarter and most parts of the third quarter last year, when bulk of the operations were temporarily put on hold except for News programs, following the

first outbreak of COVID-19. As such, Talent fees of both on-cam and off-cam artists grew by ₱473 million or 41% over three quarters this year. Likewise, Program rights amortization also displayed a ₱ 295 million or 62% climb from a year ago mainly from airing more canned movies/series owing to changes in programming mix as well as the launch of the DTT channels earlier mentioned.

Meanwhile, consolidated general and administrative expenses (GAEX) accumulated to ₱4,968 million, ahead of last year by ₱710 million or up by 17%. Personnel cost propelled the rise, up by ₱443 million or 15% from a year ago. The increase in provision for pension liability aligned with the results of the latest (2020) actuarial valuation report was a factor, alongside the annual adjustments in salaries and wages of the Company's workforce. Most overhead expenses surpassed last year's balances as operations have more or less stabilized within the Company following a new normal set-up. Facilities cost registered an increase by ₱104 million or by 42% as Repairs and Maintenance last year were put on hold. Similarly, Utility charges last year were lower due to limited operations - apart from most studios not being utilized during the lockdown, the telecommuting work scheme also resulted in less office areas being used. While a work-from-home set up is still generally observed, more areas within the Network premises are now being utilized. Taxes and Licenses similarly outpaced last year's results due to higher franchise tax payments which is based on prior year's revenues

EBITDA

For the first three quarters of this year, Consolidated Earnings before interest, taxes, depreciation and amortization (EBITDA) wrapped up at ₱9,108 million, displaying a huge increase of ₱2,606 million or 40% versus same period a year ago. This ensued from the remarkable growth in consolidated sales by ₱3,900 million which was partly offset by the hike in cash operating expenses by ₱1,355 million.

Net Income

With robust top-line performance and managed costs, the Company sealed first nine months of the year with Net income After Tax of ₱6,016 million, a whopping hike of ₱2,107 million or 54% in comparison to a year ago's ₱3,909 million bottom line. Aside from the hefty gains from regular operations, this period's noteworthy increase was further accentuated by the reduction in corporate income tax rate from 30% to 25% following the enactment into law last March 26, 2021 of Republic Act (RA) 11534 otherwise known as the Corporate Recovery and Tax Incentives for Enterprises (CREATE) Act. More so, the impact of CREATE on the Y2020 income tax rate (retro July 1, 2020) was already incorporated in the 2021 financial report, following the 15-day post publication effectivity of the said law and also coincided with the actual payment of the reduced Y2020 annual income tax last April 15, 2021.

Balance Sheet Accounts

As at end-September 2021, the Company's total assets stood at ₱25,808 million, exhibiting an increase of 8% from December 31, 2020's ₱23,939 million.

Cash and cash equivalents amounting to ₱4,561 million climbed by ₱1,346 million or 42% from 2020 balance of ₱3,215 million as a result of net cash flows provided by operating activities of ₱7,097 million partially netted by cash used in investing and financing activities during the nine-month period of 2021 amounting to ₱743 million and ₱4,850 million, respectively. Trade and other receivables closed at ₱9,460 million, 10% less than end-2020's ₱10,467 million as a result of better collection efforts for the three quarters ended September 30, 2021.

Meanwhile, total liabilities also hiked by 22% or ₱2,477 million as at end of 3rd quarter of 2021 this year to ₱13,534 million from ₱11,058 million in 2020 owing to higher short-term loans balance by ₱1,590 million in between reporting periods. Other liability accounts that recorded increases as at end-September this year were Trade payable and other current liabilities (due to normal trade transactions), Obligation for program and other rights (parallel with the increase seen in total Program and other rights) and Pension liability (due to higher retirement expenses recorded (based on actuarial valuation results). These were somewhat cushioned by the drop in Income tax payable from ₱1,777 million in 2020 to ₱1,217 million this period, due to already mentioned adjustments emanated from CREATE Law.

Equity attributable to Parent Company stockholders of ₱12,160 million as at September 30, 2021 decreased by 5% or ₱608 million, mainly due to the cash dividend declared this year, which was partly evened out by the ₱6.0-billion net income attributable to Parent Company earned by the close of three quarters this 2021.

The primary component of the changes in working capital included the ₱1,403 million decrease in Trade and other receivables heightened by the ₱779 million increase in Trade payables and other current liabilities and ₱266 million increase in Obligation for program and other rights.

Investing Activities

Net cash used in investing activities amounted to ₱743 million, coming primarily from the ₱700 million additions to Property and equipment, ₱55 million acquisition of software costs and ₱48 million purchase of Land. These were partly offset by the ₱55 million proceeds from property sales.

Regional Broadcast Stations

GMA owns regional broadcast stations in various parts of the country. Originating TV stations are stand-alone transmitters, studio, and production facilities capable of producing and airing live and/or taped programs as well as plugs and advertising within their (local) service area/s independent of, or in conjunction with the national feed. Satellite TV stations are similar to originating TV stations except that they are not equipped with live production capability outside of news bulletins. Satellite TV stations are also capable of broadcasting local plugs or advertising within their respective (local) service areas either independent of, or in conjunction with national program feeds. TV relay stations are limited to transmitter and signal receiving facilities and only re-broadcast programs/content received from originating or satellite TV stations with which they are associated; either via satellite or other receiving methods.

F. Legal Proceedings

The Company and its subsidiaries are involved, from time to time, as plaintiff or defendant in litigation arising from transactions undertaken in the ordinary course of its business. Described below are the pending material litigations of which the Company and its subsidiaries or their properties are involved. The Company believes that a judgment rendered against it in the cases indicated below will not have a material adverse effect on its operations or financial condition.

The Company's affiliate, Philippine Entertainment Portal, Inc. is not involved in any material pending litigation as of October 15, 2021.

In the case of Isabel Cojuangco Suntay v. Emilio A.M. Suntay III, Nenita Sunday Tanedo, Civil Case No. R-QZN-15-06204, which involves a nullification of affidavits of settlement of the estate of Frederico Suntay, plaintiff Suntay caused the annotation of a notice of lis pendens upon Mont-Aire Realty and Development Corporation's (Mont-Aire Realty's) TCT No. T- 29046, whose parent title is subject of the affidavits sought to be nullified. Mont-Aire Realty then filed a motion to cancel the notice of lis pendens upon its title. The trial court in its Order dated August 30, 2019 granted Mont-Aire Realty's motion to cancel the notice of lis pendens and ordered the Register of Deeds of Tagaytay to cancel and delete such notice. The plaintiff filed a motion for reconsideration of the Order dated August 30, 2019. Mont-Aire Realty filed its comment on the motion for reconsideration. Due to the inhibition of Judge Cortez, the case was re-raffled to another court and the resolution of the motion remains pending.

Labor Cases

There is a case for illegal dismissal filed against GMA Marketing and Productions, Inc. ("GMPI"), then a wholly-owned subsidiary of GMA Network, and its officers, Lizelle Maralag and Leah Nuyda, initiated by Corazon Guison, a former Sales Director of GMPI. The complainant claimed that she was unceremoniously terminated from her employment sometime in May 2010 and is entitled to reinstatement as well as payment of full backwages, unpaid commissions and salaries, moral and exemplary damages and attorney's fees. On January 31, 2011, the Labor Arbiter rendered a decision finding for complainant Guison and ordered the respondents to pay P807,007.50 as backwages and P1,691,000.00 as separation pay, as well as attorney's fees. On appeal, the National Labor Relations Commission (NLRC) reversed the decision of the Labor Arbiter and ordered the dismissal of complainant's complaint. Complainant filed a Petition with the Court of Appeals (CA) but the latter denied the same. Her motion for reconsideration was likewise denied.

There is a case for regularization and illegal dismissal (NLRC NCR Case No. 04-05664-13 [22]) filed by Henry T. Paragele, Roland Elly C. Jaso, et al. against GMA Network. Complainants are relievers/pinch hitters whose services were no longer availed of by GMA Network. The Labor Arbiter rendered a decision dismissing the complaint. Complainants filed an appeal to the NLRC. The NLRC rendered a decision dismissing the appeal. Complainants filed a motion for reconsideration which was also denied by the NLRC. Complainants filed a Petition with the CA and GMA Network filed its Comment/Opposition and Memorandum. The CA rendered the Decision dated March 3, 2017, denying complainants' Petition for Certiorari. Complainants filed a motion for reconsideration, which was also denied by the CA. Complainants filed a Petition for Review with the Supreme Court, to which GMA Network filed its Comment/Opposition. The Petition was granted by the Supreme Court (SC) and reversed the decision of the CA affirming the decisions of the Labor Arbiter and the NLRC. GMA filed a

motion for reconsideration but the same was also denied by the SC. The complainants have filed with the Labor Arbiter a motion for issuance of writ of execution.

There is a case for regularization (NLRC NCR Case No. 06-06683-14) filed by Christian Bochee M. Cabaluna et al. (142 total), against GMA Network. Complainants are creative talents of GMA. The Labor Arbiter rendered a decision finding the complainants as regular employees of GMA entitled to the benefits as such. GMA filed an appeal to the NLRC. The NLRC rendered a decision affirming the decision of the labor arbiter. GMA filed a motion for reconsideration which was also denied by the NLRC. GMA filed a Petition for Certiorari with the CA. The CA rendered the Decision dated February 20, 2019, denying GMA's Petition. GMA filed a motion for reconsideration, which was also denied by the CA. GMA filed a Petition for Review with the Supreme Court. The SC has consolidated this case with the regularization case likewise filed before it. No other incidents have occurred after the consolidation.

There is also a case for illegal dismissal (NLRC NCR Case No. 08-09480-15, 08-09499-15 and 08-09558-15) filed by Christian Bochee M. Cabaluna et al., against GMA Network. The Labor Arbiter rendered a decision declaring valid the termination as against the 15 complainants but held that the rest of the complainants were illegally dismissed and awarded backwages with reinstatement. GMA Network filed a Notice of Appeal with Memorandum of Appeal and posted a bond. Subsequently, GMA Network filed a Supplemental Memorandum of Appeal. The NLRC affirmed the valid dismissal of the 15 complainants but modified the Labor Arbiter's decision as to the rest of the 35 complainants dismissing their complaints for illegal dismissal. Complainants filed a motion for reconsideration but the same was denied by the NLRC for lack of merit. Cabaluna et al. filed a Petition for Certiorari with the CA and GMA Network already filed its comment. The CA reversed the NLRC and ruled that Cabaluna et al were illegally dismissed and reinstated the Decision of the Labor Arbiter with regard to the 35 complainants while also declaring the 15 complainants as illegally dismissed and entitled to reinstatement and backwages. GMA filed a motion for reconsideration but was denied. GMA thus filed a Petition for Review with the SC. The SC has consolidated this case with the regularization case likewise filed before it. No other incidents have occurred after the consolidation.

There is a case involving a complaint filed against GMA Network by Alfredo Lubrica Enoce for alleged illegal dismissal with a prayer for separation pay, backwages, moral and exemplary damages and attorney's fees. The Labor Arbiter rendered a decision finding illegal dismissal. However, the decision was reversed on appeal by the NLRC. Enoce's motion for reconsideration was likewise denied. Enoce filed a Petition for Certiorari with the CA, to which GMA Network filed its comment. The CA dismissed the Petition for Certiorari. Enoce filed a motion for reconsideration with the CA but was also denied by the CA. Enoce filed a Petition for Review with the SC which has yet to issue a resolution requiring us to file comment.

There is a case for illegal dismissal, underpayment of benefits, damages and attorney's fees filed against GMA Network et al. by Jocelyn Bautista Pacleb. The Labor Arbiter rendered a Decision dated December 18, 2018 dismissing Pacleb's complaint except the claim for payment of midyear bonus. On appeal by Pacleb and partial appeal by GMA Network, NLRC rendered a Decision dated March 28, 2018. We filed a motion for reconsideration dated April 30, 2018, which was granted by the NLRC in a Resolution dated May 25, 2018. Pacleb filed a Petition for Certiorari to the Court of Appeals. GMA filed its comment while Pacleb filed her Reply. The Court of Appeals rendered a Decision dated December 3, 2020, granting Pacleb P30,000.00 nominal damages. We filed a partial motion for reconsideration. Pacleb also filed a partial motion for reconsideration which we received on February 1, 2021. We filed our Comment for Partial Motion for Reconsideration dated February 16, 2021. We received a Resolution dated May 20, 2021 denying Pacleb's Partial Motion for Reconsideration for lack of merit. Pacleb filed a Petition for Review on Certiorari dated July 5, 2021 and was received by us on July 8, 2021.

The complaint of Pacleb was dismissed by Arbiter Napiza in a Decision, dated December 18, 2018, except for the claim of Pacleb for mid-year bonus in the amount of Php 108,000.00. We filed an Appeal to the NLRC. Pacleb also filed an Appeal. The Appeal of GMA was denied, while the appeal of Pacleb was partially granted awarding her P16,615.38 representing unpaid salaries and proportionate 13th month pay in the amount of P45,900.00. GMA filed a Motion for Reconsideration. Pacleb also filed a

Partial Motion for Reconsideration. The Motion for Reconsideration of Pacleb was denied while the Motion for Reconsideration of GMA was granted deleting the award of mid-year bonus and proportionate 13th month pay to Pacleb. Pacleb filed a Petition for Certiorari with the Court of Appeals which affirmed the NLRC Resolution which granted her P16,615.38 unpaid salaries. In addition, the Court of Appeals awarded Pacleb 30,000.00 nominal damages. Infringement Cases

The Company's officers, Felipe L. Gozon, Gilberto R. Duavit, Jr., Marissa L. Flores, Jessica A. Soho, Grace dela Peña-Reyes, John Oliver Manalastas, John Does and Jane Does were named as respondents in a criminal case initiated by ABS CBN in June 2004 for copy right infringement before the City Prosecutor's Office of Quezon City and the Department of Justice ("DOJ"). The case was subsequently consolidated with the Company's countercharge for libel.

The respondents were charged in their capacities as corporate officers and employees of the Company responsible for the alleged unauthorized airing of ABS-CBN's exclusive live coverage of the arrival in the Philippines of Angelo dela Cruz, a Filipino overseas worker previously held hostage in Iraq. Aside from seeking to hold the named respondents criminally liable for infringement and unfair competition, ABS-CBN sought damages from the respondents jointly and severally in the aggregate amount of P200 million.

On July 27, 2004, the Company and certain of its officers filed a case for libel against certain officers of ABS-CBN for statements made in their programs Insider and Magandang Umaga Bayan relative to the incident involving the Angelo dela Cruz feed. The Company also seeks damages in the aggregate amount of P100 million.

In the Resolution dated December 3, 2004, the DOJ dismissed the complaint for libel against the ABS-CBN officers and employees and dropped the charges against the Company's officers except for Ms. Dela Peña-Reyes and Mr. Manalastas against whom the DOJ found probable cause for violation of the Intellectual Property Code. ABS-CBN filed a motion for partial reconsideration of the resolution on the ground that the other named respondents were erroneously exonerated. The Company filed a petition for review with the DOJ with respect to the finding of probable cause against Ms. Dela Peña-Reyes and Mr. Manalastas and the dismissal of the case for libel which was denied. On August 1, 2005, the DOJ reversed the fiscal's resolution finding probable cause against Ms. Dela Peña-Reyes and Mr. Manalastas and directed the fiscal to withdraw the Information. ABS-CBN filed a motion for reconsideration. Meanwhile, the DOJ issued the Resolution dated September 15, 2005 denying the Company's Petition for Review and ruling that ABS-CBN's officers and employees did not commit libel. The Company filed a motion for reconsideration.

On June 29, 2010, the DOJ issued a resolution granting both the Company's and ABS-CBN's motions for reconsideration and directing among others the filing of Information against ABS-CBN's officers and employees for libel. ABS-CBN moved for reconsideration, which motion was denied. ABS-CBN then filed a petition for certiorari with the Court of Appeals. In the meantime, an Information for libel was filed by the Quezon City Prosecutor with the Regional Trial Court of Quezon City, Branch 88 which was later re-raffled to Branch 104. The prosecution has completed the presentation of its evidence and the defense has filed a motion for leave to file demurrer to evidence which the Company opposed. The motion is pending resolution by Branch 104.

With respect to the granting of the motion for reconsideration of ABS-CBN, the Company elevated the DOJ's June 29, 2010 Resolution directly to the Court of Appeals via a petition for certiorari docketed as CA-G.R. SP No. 115751. On November 9, 2010, the Court of Appeals issued a decision granting the Company's petition for certiorari and reversing the DOJ Resolution dated June 29, 2010 and reinstating the DOJ Resolution dated August 1, 2005 which ordered the withdrawal of Information for copyright infringement. ABS-CBN's petition with the Supreme Court was partially granted reversing the DOJ Resolution ordering the withdrawal of the Information for copyright infringement and sustaining the finding of probable cause for copyright infringement only as against Ms. Dela Peña-Reyes and Mr. Manalastas.

Trial ensued for the charge of copyright infringement against Ms. Dela Peña-Reyes and Mr. Manalastas. In the Decision dated September 29, 2021, the Regional Trial Court of Quezon City, Branch 93 acquitted both Ms. Dela Peña-Reyes and Mr. Manalastas from the charge of copyright infringement.

decision dismissing plaintiff's complaint for damages. On appeal, the CA denied plaintiff's appeal and affirmed the trial court's decision dismissing the complaint. On October 29, 2020, plaintiff filed a Petition for Review on Certiorari with the Supreme Court where it is pending to date.

H. Corporate Governance

GMA Network, Inc. is committed to the principles of good governance and recognizes their importance in safeguarding shareholders' interests and in enhancing shareholder value. The Company has adopted a Revised Manual on Corporate Governance ("Revised Manual") to institutionalize the Company's adherence to these principles. This Revised Manual clearly sets out the principles of good management and defines the specific responsibilities of the Board, the Board Committees, and management within the overall governance framework.

The Revised Manual conforms to the requirements of the Philippine Securities and Exchange Commission and covers policies, among others:

(a) independent directors, (b) key board committees (e.g. Executive Committee, Nomination Committee, Audit and Risk Management Committee, Compensation and Remuneration Committee); (c) independent auditors, (d) internal audit, (e) disclosure system of company's governance policies, (f) stockholder rights, (g) monitoring and assessment, and (h) penalties for non-compliance.

The Board of Directors, led by the Chairman, Atty. Felipe L. Gozon, strongly advocates accountability, transparency and integrity in all aspects of the business and commits themselves to the best practices of governance in the pursuit of the Company's Mission and Vision.

To ensure adherence to corporate governance, the Board designated a Compliance Officer. The Compliance Officer is responsible for monitoring compliance by the Company with the provisions and requirements of good corporate governance.

On October 4, 2021 (filed on October 8, 2021), the Company amended its Revised Manual on Corporate Governance to provide that the Company's Corporate Secretary "may or may not be a director".

Based on the Revised Manual on Corporate Governance established in accordance with the provisions of the Revised Corporation Code, the relevant Circulars of the Commission, as well as the Company's Integrated Annual Corporate Governance Report for year 2020 filed with the Securities and Exchange Commission on June 30, 2021, there have been no deviations from the Company's Manual as of date.

Compliance with the principles of good governance starts with the Company's Board of Directors. The Board is responsible for oversight of the business, determination of the Company's long-term strategy and objectives, and management of the Company's risks by ensuring the Company's internal controls and procedures are observed. The Board of Directors ensures a high standard of governance, and promotes and protects the interests of the Company, its stockholders and other stakeholders.

The Board consists of nine directors, two of whom are independent directors. All nine members of the Board have the expertise, professional experience and background that allow a thorough discussion and deliberation of issues and matters affecting the Company.

The two independent directors – former Chief Justice Artemio V. Panganiban and Dr. Jaime C. Laya – have no relationship with the Company which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Risk Management

The GMA Network's Board of Directors and Management are mindful of the risks and uncertainties inherent in the business. In the formulation of corporate strategy and business decision-making, potential risks are always taken into account. Necessary steps are taken to minimize, if not eliminate, such risks.

The Audit and Risk Management Committee assists the Board in the oversight of the Company's risk management, ensures that it has the proper controls in place, identifies and evaluates significant risk exposures and contributes to the improvement of risk management and control systems.

Both radio and television broadcasting are highly competitive businesses. GMA stations compete for listeners/viewers and advertising revenues within their respective markets directly with other radio and/or television stations, as well as with other media such as cable television and/or cable radio, newspapers, magazines, the internet, billboard advertising, among others. Audience ratings and market shares are subject to change, and any change in a particular market could have a material adverse effect on the revenue of our stations located in that market.

Considering the potential impact of various risks to the Company's ability to deliver quality content across multiple platforms, the Company has established a Programming Committee that deliberates weekly on the programming issues and strategies of the Network. Regular monthly meetings of the Company's officers are also held to discuss plans, operational issues and strategies, implementation of projects and recommendations for improvements.

The Company's Corporate Planning Department has been designated by the Board of Directors to monitor the courses of action taken by the departments to manage the risks. The Head of the Company's Corporate Planning Department performs the functions and responsibilities of a Chief Risk Officer on the matter of Enterprise Risk Management.

The Company's financial results are dependent primarily on its ability to generate advertising revenue through rates charged to advertisers. The advertising rates a station is able to charge are affected by many factors, including the ratings of its programs and the general strength of the local and national economies. Generally, advertising declines during periods of economic recession or downturns in the economy. As a result, the Company's revenue is likely to be adversely affected during such periods.

Management, being accountable to the Board, also prepares financial statements in a timely manner in accordance with generally accepted accounting standards in the Philippines. Management's statement of responsibility with regards to the Company's financial statements is included in this annual report.

The consolidated financial statements of GMA Network and its subsidiaries have been prepared in accordance with Philippine Financial Reporting Standards which are aligned with International Financial Reporting Standards. The financial statements are audited by external auditors and reviewed by the Audit and Risk Management Committee (with the support of the Internal Audit Group) to ensure that they fairly present, in all material respects, the financial position and results of the Company's operations before these are presented to the Board of Directors for approval.

The Board is responsible for presenting a clear, balanced and comprehensive assessment of the Company's financial position, performance and prospects each time it makes available its quarterly and annual financial statements to the public.

Management

The Chairman of the Board and Chief Executive Officer is Felipe L. Gozon, while Gilberto R. Duavit, Jr. holds the position of President and Chief Operating Officer.

The CEO is accountable to the Board for the development and recommendation of strategies and the execution of strategic directions set by the Board, while the COO is responsible for the day-to-day management of the Company and the implementation of the directives provided by the CEO and the Board's policies and decisions. Both the CEO and COO are guided by the Company's Mission, Vision, and Core Values.

Management regularly provides the Board with complete and accurate information on the operations and affairs of the Company.

Employee Relations

Employees are provided an employee handbook which contains the policies and guidelines for the duties and responsibilities of an employee of GMA Network, Inc. The Handbook also details the benefits and privileges accruing to all regular employees.

The News and Public Affairs Ethics Manual, on the other hand, sets the standards and rules on how News and Public Affairs personnel should conduct themselves at work.

The employees are updated on material developments through the Network's Corporate Affairs Division. Its platforms for internal communications include online publications (intranet, monthly newsletter, e-mail announcements), multimedia (internal television), and the quarterly General Assemblies among others.

The Company also provides training programs and seminars for career advancement and development. The Company has also initiated activities centered on the safety, health and welfare of its employees.

Prompt Disclosures and Timely Reporting

GMA Network, Inc. adheres to a high level of corporate disclosure and transparency regarding the Company's financial condition and state of corporate governance on a regular basis. Through the Investor Relations and Compliance Division (IRCD), shareholders are provided disclosures, announcements and periodic reports filed with the Securities and Exchange Commission (SEC) and the Philippine Stock Exchange. These are also available online through the Company's Investor Relations website www.gmanetwork.com/corporate/ir.

The Company, through the IRCD and Corporate Affairs and Communications Department, publishes press releases on the performance of the Company. Meetings with Fund Managers, Investment, Financial and Research Analysts are likewise handled by the IRCD.

Consolidated audited financial statements are submitted to the SEC on or before the prescribed period and are made available to the shareholders prior to the ASM.

CERTAIN ITEMS REQUIRED TO BE DISCLOSED UNDER SECTION 49 OF THE REVISED CORPORATION CODE

The following discussion provides detailed and comprehensive information on the required disclosures under Section 49 of the Revised Corporation Code on: (a) a description of the voting and

vote tabulation procedures used in the previous meeting; b.) a description of the opportunity given to stockholders to ask questions and a record of the questions asked and answers given; (c) the matters discussed and the resolutions reached and a record of the voting results for each agenda item; (d) a list of directors or trustees, officers and stockholders who attended the meeting; (e) Material Information on the current stockholders and their voting rights; (f) Appraisals and Performance Report of the Members of the Board of Directors; and (g) Directors' Disclosures on Self-Dealing and Related Party Transactions

a) A description of the voting and vote tabulation procedures used in the previous meeting

During the May 19, 2021 Annual Stockholders' Meeting, the Corporate Secretary explained to the stockholders that the voting and vote tabulation procedures for the meeting were stated in the following summary that was flashed on the screen during the meeting for their guidance:

- (a) For the purpose of the virtual meeting or meeting via remote communication, voting for matters to be submitted for approval including the election of directors shall be made *in absentia* through an on-line voting system. Voting *in absentia* is allowed under Section 23 and 57 of the Revised Corporation Code. On March 26, 2021 the Board of Directors resolved to allow the stockholders to participate, attend and/or vote in absentia at this meeting.
- (b) A stockholder who wishes to attend and participate in the meeting by remote communication and/or to vote in absentia shall register therefor by sending proof of his or her identification and related documents, as listed in Annex "A" of the Notice of the Meeting on the Procedure for Registration, Participation and Attendance in the GMA Annual Stockholders' Meeting via Remote Communication and for Voting in Absentia to GMA2021ASM@gmanetwork.com.
- (c) Vote Required: Motions, in general, require the affirmative vote of a majority of the shares of the Company's common stock present and/or represented and entitled to vote.
- (d) Method: Straight and cumulative voting. In the election of directors, the nine (9) nominees garnering the highest number of votes shall be elected directors. The stockholder may vote such number of shares for as many persons as there are directors to be elected, or he may cumulate said shares and give one candidate as many votes as the number of directors to be elected, or he may distribute them on the same principle among as many candidates as he shall see fit; provided, the total number of votes cast by him shall not exceed the number of shares owned by him multiplied by the number of directors to be elected. Absent a specific instruction in the space provided in the electronic voting system, in the manner by which the stockholder shall cumulate his or her votes among his or her preferred nominee/s, the votes of such stockholder shall be cast equally among the nominees he or she voted for.
- (e) The Corporate Secretary shall count the votes based on the number of shares entitled to vote owned by the stockholders. The votes shall be validated/certified upon by an independent stock transfer agent.

This is reflected on page 5 of the minutes of the said meeting (Annex "I" of the Information Statement).

b.) A description of the opportunity given to stockholders or to ask questions and a record of the questions asked and answers given

As reflected on page 10 of the minutes of the May 19, 2021 Annual Stockholders' Meeting, after the Annual Report of the Chairman and the Chief Executive Officer, he "opened the floor for comments and/or questions from the stockholders, including those submitted by stockholders through the question-comment box provided in the registration page for their attendance, participation or voting in the meeting. The stockholders were reminded that for questions that were not addressed during the

meeting, the responses would be sent via email within two weeks. The following questions were addressed by the Chairman & CEO, as follows:

1. May I request for an earnings guidance from Management for year 2021? - Mr. Joshua Generoso

The Chairman explained that the situation is really fluid and dynamic because of the changing health protocols depending on the changing on the occurrence of the pandemic. So, it is difficult to project the total 2021 earnings and net income. However, based on past months, where GMA increased gross revenues by 55% and it kept costs at bay at 5%, GMA feels confident that it might still increase total gross revenues and net income for 2021. As we speak, there are indications that the effects of the pandemic are easing up and, as a result, the government is easing up on the restrictions. It is important for the government to revive the economy which has been on a negative growth, with so many people unemployed and many businesses having closed down. So hopefully, with the reduction in the rate of infection, and with the increase in vaccination towards herd immunity, and if we are on the optimistic side, hopefully GMA will have a 15% increase in 2021 over 2020.

2. Production cost seems to be going down in 2020. Is this level going to be the trend moving forward or is it just because of COVID-19? - Mr. Joshua Generoso

The Chairman explained that GMA is producing more fresh programs this 2021 than in 2020 and that it intends to produce more in the coming months. Fresh programs as compared to replays cost more and if GMA can maintain the budgets for these as before then that would be ideal. However, GMA is producing many expensive programs, where it has to use meteographics, such as for *Agimat ng Agila*, *Lolong*, and *Voltes V*. But GMA hopes that the expenditures in these programs will give higher ratings and correspondingly higher revenues.

3. When are we showing *Voltes V*? - Mr. Joshua Generoso

The Chairman revealed that *Voltes V* is scheduled to be shown in the year 2022 as it is a very difficult program to do with so much graphics and thus very expensive.

4. Please discuss more the purpose or aim of GMA Ventures, Inc., how much CAPEX are we devoting and the timetable if ever. How will minority shareholders benefit from GMA Ventures Inc.? - Mr. Joshua Generoso and Mr. Anthony Tantiquiera

The Chairman shared that GMA's Management thought of GMA Ventures as the vehicle to invest in non-core or non-broadcasting business activities that may provide the Company with additional revenue and profits. The Chairman assured the stockholders that the GMA Management will evaluate the businesses in which this new corporation will go into as it has done in its other business activities. The Chairman likewise guaranteed that whatever the major stockholders will get will proportionately benefit the minority stockholders.

5. How many voluntary employees will be given the COVID 19 vaccine shot? What are the COVID 19 vaccine brands that will be used? - Mr. Ishmael Sam D. Canua

The Chairman emphasized that the free COVID-19 vaccines that it will provide for its regular and probationary employees, project employees and exclusive talents will be on a voluntary basis, which means that it is not compulsory. The brand purchased by the Company is Moderna which, the Chairman understands, would be available in June or July.

6. GMA Films president Annette Gozon Valdez said that GTV is open for Kapuso and Non-Kapuso Artists. Is there a possibility that the Network will open for a block time agreement with ABS-CBN? - Mr. Ishmael Sam D. Canua

The Chairman clarified that being open to ABS-CBN artists has nothing to do with being open to a block time agreement with ABS-CBN. There is no talk as there is no proposal, hence, there is currently nothing to consider. But GMA is not closing its door and any proposal that will come its way will be seriously evaluated.

7. When will analog TV of the Network switch off to shift to digital television? In the next few years, cable or free TV broadcasting will be replaced with digitalization where gadgets such as smartphones and computers and internet speed become affordable, including improved infrastructure, and the contents will be accessible in just a touch or click. Because of the pandemic, many are using their devices which shows significant shift to digitalization. What is the Network's response to digitalization? - Mr. Ishmael Sam D. Canua

The Chairman explained that nobody really can say when full digitization of television transmission is going to happen. Even in the US, they legislated that digitization would happen in 1996 but it actually happened more than 10 years after. The Chairman deems that the problem is affordability and economics. In the Philippines, it is difficult to anticipate when full digitization of the TV business will happen. In the meantime, what is being done is the putting up of the set-top boxes which enable analog TV sets to receive digital transmissions, and the Company has that through the GMA Affordabox. Insofar as the other digitization prospects are concerned, like GMA Now, the Chairman stated that it would depend really again on the affordability and right now it is unfortunate that GMA Now is not selling as much as it was hoped because so many people cannot go out and move. GMA Now allows you to watch your favorite programs outside of your homes while on the go wherever you are. So hopefully, after the COVID-19 restrictions on mobility are eased or removed, we will see the sales of GMA Now to pick up.

8. Because of what happened to ABS-CBN, there's a chilling effect in the broadcasting industry. Also, there's a possibility in the future that other networks, including GMA Network, might have the same fate. What are the plans for the Company in case it might happen in the future? - Mr. Ishmael Sam D. Canua

The Chairman shared only his opinion on the case of ABS-CBN. The reasons and causes why ABS-CBN's franchise was not renewed by Congress do not obtain in the case of GMA, except on the question of the PDR but even in that the difference is so great because the GMA PDRs that are owned by foreigners consist only of 0.51% or less than 1% of total outstanding shares of GMA. Moreover, the holders of the PDRs are not even allowed to join the stockholders meetings and to vote therein. The purpose of the 100% Filipino ownership requirement is to prevent foreigners from influencing the decision-making process in media organizations.

9. Please share your plans for capital expenditures and content production for the coming years. - Mr. Brian Galang

Can you give us more details of the P20 billion 3-year CAPEX and the new building?

The Chairman clarified that the PhP20-billion budget is to be spent within a 3-year period. For 2021, the Company is converting most of its facilities from analog to DTT-broadcast capable, constructing storage facilities, disaster recovery system, new hubs in Zamboanga and Batangas, radio transmission upgrade, etc.. The Chairman also stressed that the PhP20-billion budget is also not just CAPEX, but also includes production costs of expensive programs, like *Voltes V*, and others like, *The World Between Us*, *I Left My Heart in Sorsogon*, *Love Die Repeat*, Alden and Bea movie, launching of NCAA website, lifestyle website, ticketed online events, and many more.

10. Is GMA planning to create a subscription video on demand ala Netflix? - JCR Holdings

GMA is studying all its options and, if it will bring revenues and net income, it will be considered but would be difficult to project because there are a lot of competitors.

11. Can you give us an update on the sales figures for GMA Affordabox and GMA Now? – Marian Antonio

The Chairman revealed that the Company has sold about 1.2 million units of the GMA Affordabox. Because of the stay-at-home requirement, the sale of GMA Now has been slow, but hopefully with easing of the restrictions and with people eventually able to move around outside of their homes, the Company would sell around 500,000 units of GMA Now.

12. Do you see ABS-CBN's partnerships with TV5 and Zoe affecting your market share and revenues this year? – Rene Gozum

The Chairman stated that even on a combined basis, ABS-CBN, TV5 and Zoe partnerships have hardly affected the ratings and revenues of GMA, GTC, HOA, etc.

13. Can you briefly discuss GMA's digitalization strategy/plan? – Carol Mangalanzo

The Chairman explained that it is converting most of its analog to digital. It is also partnering with digital carriers like YouTube, Facebook and others. The Company knows that the future is in digitization, but it cannot just jump into the pool because it knows that the audience and the advertisers are not yet fully ready for that. Hence, the Company is going through a gradual, calibrated and calculated way of going into digital.
