Clarification of News Report

We write with respect to the attached news article entitled "GMA Network's 2015 net income doubled to P2b" posted in The Standard (Internet Edition) on February 11, 2016. The article reported in part that:

"Broadcast company GMA Network Inc. saw its net income in 2015 double to more than P2 billion from a year ago, its top executive said Thursday.

'Our net income after tax [last year] is more than 100 percent of 2014. It's more than P2 billion,' GMA Network chairman and chief executive Felipe Gozon told reporters Wednesday night during the company's thanksgiving party. The company posted a net income of P1.01 billion in 2014.

...

Gozon said he was optimistic the growth in revenues would be sustained this year. 'For 2016, we expect it to be better. In fact, January is already better,' he said.

..."

This is to confirm the statements made by our Chairman/CEO Atty. Felipe L. Gozon. This is consistent with our previous guidance/disclosures.
