Clarification of News Report

This has reference to the news article entitled "GMA Network eyes diversification outside media space" posted in philstar.com on May 20, 2019. The article reported in part that:

"MANILA, Philippines — Broadcast giant GMA Network Inc. is exploring opportunities outside the media space similar to the steps being undertaken by its rival network, its chairman and CEO Felipe Gozon said.

'Yes, there are plans. We are looking,' Gozon said when asked if GMA has plans to diversify its business just like what ABS-CBN has been doing recently.

Gozon, however, declined to disclose yet the potential areas which the company is looking to venture into, saying that the opportunities are still under study.

'But we will do it slowly. We are not bold because we do not want to end up at a loss,' Gozon said. . . ."

This is to confirm the statement of Atty. Gozon that the Company is looking for areas that it can invest in, even if they are not related to the broadcast business, but are doing it slowly and prudently to avoid losses.
