# That All May Be One In Love And Service

## The GMA Kapuso Foundation Prayer

*Loving God, fount of goodness and compassion,  
we humbly come before You to offer our praise and thanks,  
for all the blessings that You have bestowed upon us.  
We thank You, most especially for calling us to be men and women  
of service, sending us to others, as salt and light, to flavour life  
with hope and joy.*

*We pray that You renew us in Your love and likeness,  
so that peace may always reign in our hearts.  
Be our strength; please continue to energize and rejuvenate our souls.  
Bless and guide us, Your people at GMA Kapuso Foundation;  
grow in our hearts and make us instruments of Your love.*

*Teach us the best way to share Your love to the least of our brothers and sisters.  
We lift up to You, our Merciful Father, the most special of Your children:  
the poor and the needy, the broken and the homeless, the young,  
the aged, the sick and the lonely.*

*Heal their bodies, heal their hearts, and heal their souls.  
Lead them to Your loving embrace - to find love and refuge.  
We also entrust to Your utmost care our generous donors and partners;  
the companies, individuals, groups and organizations who  
ceaselessly journey with us in serving others the Kapusong Totoo way.  
Keep them in Your presence, and bring joy and peace  
to their generous hearts.*

*And as we continue to respond to the call of delivering Serbisyon  
Totoo, grant our Parent-Benefactor, GMA Network, Inc.,  
Your choicest blessings.*

*Bless its leaders and personnel with Your strength and inspiration,  
so they may carry on supporting the work of the Foundation  
and fulfill their mission to communicate Your love and graciousness,  
all for Your glory and in the service of Your people.*

**AMEN.**

# Mission

We uplift the lives of underprivileged Filipinos all over the Philippines by:

- providing quick-response relief operations to fulfill the most immediate needs in times of crises;
- undertaking health, nutrition and medical projects to promote greater equity in health;
- carrying out developmental programs designed to promote education and foster learning.

We value our relationship with local, national, and international partners and recognize the impact they have in our capability to provide help to those who need it most.

We are committed in ensuring sustainable operations to enable us to continue being a "strong bridge" for our donors and beneficiaries by actively promoting the Foundation's initiative to solicit sufficient funding.

In doing so, we effectively bridge the distance that comes between those who need help and those who extend a helping hand. As such, we recognize the power of media and its role in eliciting compassion and a sense of responsibility from our donors and in promoting volunteerism among Filipinos, and shall continue to use it responsibly as a means to achieve our organizational goals.

# Vision

We are the most accomplished, most trusted and most credible non-government organization in the Philippines; the leader in serving and uplifting the lives of the underprivileged members of our society through Serbisyong Totoo and the responsible use of media.

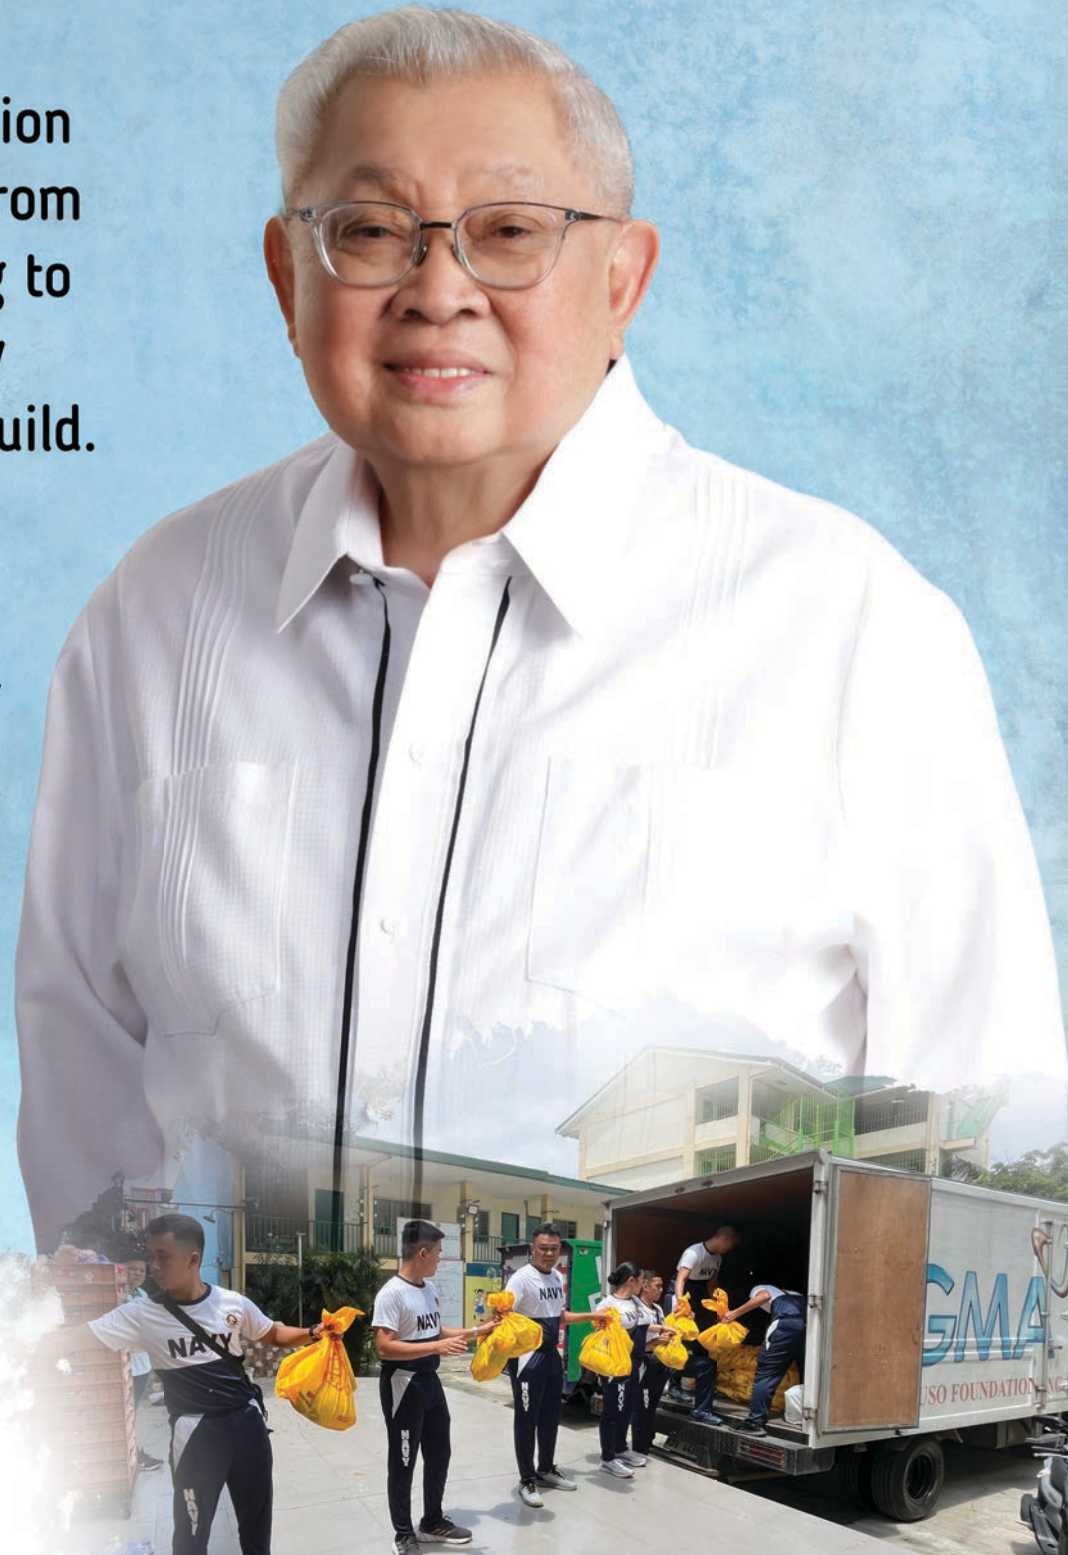

**We remain steadfast in our mission to help our fellow Filipinos rise from hardship—not only by responding to their immediate needs, but by standing beside them as they rebuild.**

Towards the end of 2024, the Philippines faced a series of climate disasters unlike any in recent memory. In just 30 days, six powerful typhoons—culminating in Super Typhoon Pepito—pounded the country from the northernmost tip of Luzon down through the Bicol Region and into parts of the Visayas. This rare confluence of consecutive storms severely disrupted access to food, shelter, education, and care for over 13 million Filipinos, with the most vulnerable communities hit hardest.

And yet, in those moments of crisis that brought our nation to its knees, what shone brightest was the kindness and solidarity of our people. We witnessed how our broadcasting operations worked in seamless coordination with our socio-civic arm in serving our Kapuso. When disasters struck, GMA Network and the GMA Kapuso Foundation moved swiftly and as one. While the Foundation brought

Message from the  
**CHAIRMAN**  
ATTY. FELIPE L. GOZON

food and supplies to those most in need, our news teams stood with the people—not only to report the truth, but to give voice to survivors and connect them with loved ones. As donations poured in, volunteers worked without pause. Our artists manned the phone lines—because for us, service is not just a role, it is who we are.

Even after the headlines fade and the floodwaters recede, the work of your GMA Kapuso Foundation continues. We remain steadfast in our mission to help our fellow Filipinos rise from hardship—not only by responding to their immediate needs, but by standing beside them as they rebuild. In carrying out our mission, we focus not only on what is immediate, but what is essential and enduring. That commitment is seen in our long-term efforts: from constructing infrastructure, safe, durable learning spaces in storm-ravaged areas, to replacing roofs in damaged homes, and supporting children with cancer through access to life-saving treatment and blood donations.

These efforts reflect a truth we hold deeply: that public service is not just a responsibility we carry—it is in our DNA. It is our hope that through this work, our Kapuso may not only recover—but rise.

None of this could have been achieved without you—our partners, donors, and loyal viewers. And none of it could have endured without the tireless devotion of our brave staff and dedicated volunteers, who serve with compassion and quiet strength in bringing the essence of Serbisong Totoo to those who need it most.

On behalf of the Board of Trustees and the entire GMA Kapuso Foundation, I extend our heartfelt thanks to all of you. Indeed, great things happen when the work comes from the heart. And greater things still, when we do it together.

As it is written in 2 Corinthians 9:8  
“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”

May His grace continue to abound in you and through you.

*Pagpalain nawa kayo ng Panginoon, at mabuhay kayong lahat, mga Kapuso.*

  
ATTY. FELIPE L. GOZON

“While the year was marked by challenges across many fronts, it also demonstrated the strength of collective, compassionate action.”

Time and again, we have seen that when compassion is paired with collective action, it becomes possible to respond where help is needed most.

With the help of our strategic partners, donors, and volunteers, the GMA Kapuso Foundation served a total of 436,871 individuals in the past year, through its core programs in health, disaster relief, education, and values formation. Through our shared efforts, we extended support to far-flung areas—helping uplift the lives of our less fortunate and afflicted countrymen.

In 2024, the nation weathered overlapping disasters across the country: intense shear line rains that caused flooding and landslides in Mindanao, prolonged drought affecting farmers and their families in Luzon and the Visayas, volcanic unrest at Mt. Kanlaon; an oil spill off the coasts of Bataan and Cavite that disrupted the livelihoods of many; and typhoons that swept the archipelago in rapid succession. Through Operation Bayanihan, the Foundation wasted no time in delivering aid on the ground and mobilizing efforts nationwide. Support poured in from several groups, bringing together artists,

Message from the  
**PRESIDENT**  
GILBERTO R. DUAVIT, JR.

volunteers, viewers, and partners. One notable project that reflected this spirit was the Operation Bayanihan: Bagyong Kristine Telethon—an appeal for help that also served to mobilize greater support, with generosity flowing both on-air and off, with many touched by our efforts.

We did not stop at relief; we also helped communities rebuild. In Barangay Sumnanga, Sabtang Island, Batanes—an area affected by Typhoon Julian—the Foundation's Silong Kapuso Project provided roofing materials and cement to help residents restore homes that had sustained partial or total damage. In Barangay Balili, Mankayan, Benguet—where Super Typhoon Egay in 2023 unleashed more than a month's worth of rainfall in just two days and caused widespread damage—we constructed a Kapuso-type Building with three classrooms in 2024 for Dagadag Elementary School, replacing its destroyed facility. The new structure now serves Kindergarten to Grade 4 pupils, offering them a safer and more resilient space for learning, one built to withstand strong typhoons and earthquakes.

Alongside efforts to rebuild, we pursued programs that nurtured the development and well-being of the young, particularly those in the most vulnerable communities. Through the Unang Hakbang sa Kinabukasan Project, we distributed 60,000 new backpacks filled with complete school supplies to incoming Kindergarten and Grade 1 pupils in geographically isolated and underserved areas across the country. We also implemented Linis Lusog Kapusong Kabataan Project in Pangasinan and Negros Occidental, reaching over 2,000 public elementary students with hygiene kits, dental care, and handwashing drills. Later in the year, through the Newborn Screening Project, we provided free screening tests and gift packages to infants in selected areas of Rizal, Quezon, and Batangas. These were complemented by health lectures for mothers and the distribution of meals and giveaways for parents—underscoring our holistic approach to family care and early childhood well-being.

We also supported children battling cancer through the Kapuso Cancer Champions, providing free chemotherapy medicine and blood bags. In line with tradition, we ended the year with Give-A-Gift: Alay Sa Batang Pinoy, distributing Noche Buena packs and toys to children in 312 public schools nationwide.

Our Kapuso sa Kalusugan program remained a consistent channel for delivering medical assistance to underserved communities. Through Kapuso Kalusugan Konsulta, the Foundation provided access to free medical consultations, diagnostic tests, medicines, and surgical support. Special cases requiring extensive treatment were featured in the Kapusong Totoo segment of 24 Oras, encouraging support for patients with rare or complex conditions. The Kapuso sa Kalusugan Caravan, a roving medical mission, was also deployed to several disaster-affected and remote areas, bringing healthcare professionals and essential medicines to those with limited access to care.

While the year was marked by challenges across many fronts, it also demonstrated the strength of collective, compassionate action. There is no better image of collaboration than the sight of volunteers working alongside government agencies, LGUs, the private sector, and NGOs— with all offering their time, skill, and effort in service of others.

*Maraming salamat sa inyong patuloy na pagtitiwala at pagtulong. Dahil sa inyo, mas marami tayong naaabot, mas marami tayong natutulungan.*

*Maraming salamat sa inyong lahat, Kapuso!*

GILBERTO R. DUAVIT, JR.

“  
Problem shared is problem halved.  
With this, we have become more agile  
and adaptable to the changing times,  
delivering aid faster and more  
efficiently, reaching out to more  
people needing help across the country  
in the spirit of charity.”

There is strength in collaboration – ngayon, bukas at magpakailanman.

In a year that was notable for back-to-back disasters varying among typhoons, drought, volcanic eruptions, oil spills, and swine flu outbreaks, I can only say this: collaborations create the most value in difficult periods.

As I looked back to 2024 and revisited the purpose and values of GMA Kapuso Foundation of which the bedrock principle is Service – prioritizing the well-being of others and contributing to the greater good. Looking back at our purpose and values keeps us in line, and it can give way to a stronger platform for a more meaningful impact of our objectives.

## Message from the SPECIAL ADVISER

CARMELA C. TIANGCO

While the passing of time brought change, we also noticed that the challenges we used to face grew bigger, further exposing the most vulnerable in our country. Be it in health, education and natural calamities, this is the present reality that no single organization can deal with alone.

We received tremendous support from our co-collaborators aka donors, partners, volunteers and supporters. (Please refer to pages 76-87). With their participation, we have instilled more value to our mandate. 2024 saw 436,871 individuals served, spanning across our pillar programs of Health, Values Formation, Education and Disaster Relief. Implemented through various projects under these programs, these achievements are a testament to the significance of collaboration, its principle, and the impact it gives, while collaboratively addressing challenges.

Problem shared is problem halved. With this, we have become more agile and adaptable to the changing times, delivering aid faster and more efficiently, reaching out to more people needing help across the country in the spirit of charity.

In the coming year, we hope to have more organizations join us in this collaborative coalition to further empower our united advocacies in support of the people.

We are grateful to all who have supported our projects, and most of all, to those who gave their trust to the GMA Kapuso Foundation.

Your GMAKF will always be grounded in “Service”, the anchor on which our future initiatives will always be founded on.

*Mabuhay kayong lahat!*

*Hel Tiangco*  
CARMELA C. TIANGCO

With fundraising comes great accountability. Your GMAKF, being the most trusted media foundation in the country, takes this responsibility seriously and gives regular reports on the progress of our aid projects and missions on various platforms.

It was a harrowing and hectic second semester of 2024, with the last 6 months of the year seeing 9 consecutive strong weather disturbances test the ability of Filipinos to endure.

The operations of your GMA Kapuso Foundation were also tested by the never-before-experienced succession of storms that wreaked havoc in Luzon, Visayas and Mindanao. It was as if nature was deliberately sending strong winds and torrential rains our way, such that at some points in time, we ourselves as aid givers would ask: (1) Would there be enough donations and help to give? (2) Is there no end to this trial in sight? We saw in the eyes of typhoon and flood victims a terrible fatigue and resignation that we strove to lighten and change into hope.

Message from the **EXECUTIVE  
VICE PRESIDENT/COO**  
**RIKKI ESCUDERO-CATIBOG**

By the grace of God, we all made it through this most difficult and calamitous year that was 2024. The storms delayed post-disaster infrastructure projects of GMAKF as the seemingly incessant rains caused landslides and rivers to swell, rendering transport of construction materials impossible. Nonetheless, GMAKF's relief missions (Operation Bayanihan) continued throughout this challenging period, supported by donors, partners and sponsors who never lost faith in our shared advocacy, and in doing so, inspired us to do more SERBISYONG TOTOO for our beneficiaries. The situation reminded me of the biblical story of the prophet Elijah and the widow in the Book of Kings, Chapter 1. The story tells of the prophet's encounter with a destitute woman during a time of famine. God orders Elijah to seek refuge with the widow, who is about to make a last meal for herself and her son. The widow, at Elijah's urging, shares her meager food, and because of her generosity despite her dire circumstances, God miraculously provides for them, ensuring that their flour and oil never run out until the famine ended. Similarly, God made sure that somehow, Filipinos never "ran on empty". The latter pages of this annual report give honor to top donors and service partners. Thank you so

much for sharing your treasure and time so that those with nothing and those left with little, post-calamities, always had something to sustain them until better days arrived.

You are God sent. And you are our inspiration propelling us forward into facing the challenges of 2025. Your GMA Kapuso Foundation now utilizes more social media platforms, apart from traditional mass media (radio and TV) to involve and engage supporters. We take you on-site to our projects via our official Facebook, YouTube, Instagram (@gmakapusoofoundation), TikTok (@kapusofoundation) and X (@gmakf) pages so you see as close to real time as signal permits – where we go, what we do and how you can further help. With fundraising comes great accountability. Your GMAKF, being the most trusted media foundation in the country, takes this responsibility seriously and gives regular reports on the progress of our aid projects and missions on various platforms. And this in turn gives you – our beloved donors, partners and sponsors – the choice of delivery of timely information in aid of charity at your chosen time – whichever time zone you may be in. Times are tough, natural and man-made disasters abound and can come consecutively as they did in 2024. But together, we will overcome and even thrive. God bless the Philippines and all Filipinos, everywhere in the world.

# YEAR AT A GLANCE AND MONTHLY HEALTH PROJECTS

# 436,871

individuals served

Disasters pounded the country this year, yet the resilient Filipino spirit withstood these numerous calamities nationwide.

Consecutive devastating typhoons caused destruction. Typhoons Carina and Enteng drowned the National Capital Region and nearby provinces. Typhoon Kristine sank Quezon, Bicol, Batangas, Cagayan and Isabela in flood waters. Typhoons Julian, Leon, Marce, Nika and Ofel walloped Cagayan, Isabela and Batanes. And finally, the last typhoon of 2024 was also the strongest one experienced in the world last year - Typhoon Pepito devastated Camarines Norte, Camarines Sur, Catanduanes and Aurora.

The shear line weather phenomenon flooded Davao De Oro, Davao Oriental, Maguindanao and Maguindanao Del Sur.

In Negros Occidental, the eruption of Mt. Kanlaon affected the province year-round. Furthermore, drought damaged the farmlands of Ilocos Norte, Benguet, Cagayan, Oriental Mindoro, Isabela, Maguindanao, Iloilo, Samar and Antique.

### KF Served:

**318,086** individuals through its Disaster Relief program,  
**60,114** individuals through its Education program,  
**50,402** individuals through its various Values Formation projects and,  
**8,269** individuals through its different Health projects.

## YEAR AT A GLANCE & MONTHLY HEALTH PROJECTS

### JANUARY

# 6,413

#### Operation Bayanihan

**6,000** individuals from Pantukan, Monkayo and Nabunturan in Davao de Oro affected by the shear line were given relief goods.

#### Ngiting Kapuso

**113** indigent beneficiaries in the National Capital Region and nearby provinces were given full and partial dentures at the CEU School of Dentistry and the GMA Network Center.

#### Goiter Awareness Week

**300** individuals from General Santos and Koronadal in Cotabato province were given free check-ups, vitamins and laboratory tests to raise awareness on thyroid health to promote early detection, prevention and treatment of thyroid-related conditions.

### FEBRUARY

# 239\*

\***5,960** blood bags excluded in the February monthly total count.

#### Kapuso Kalusugan Konsulta

**228** patients of public hospitals in the NCR and various provinces were served, receiving maintenance medicine, laboratory services and O.R. supplies from Kapuso Foundation partner pharmacies.

#### Subject of Appeal Cases

**11** individuals with rare and complicated diseases were provided operations, chemotherapy, check-ups, laboratory tests and referrals in Cagayan, Camarines Sur, Tarlac, Quezon, Antipolo, Sorsogon, Albay, Bulacan and the NCR.

#### Sagip Dugtong Buhay

**5,952** blood bags (450 cc) were collected from blood donors through blood donation drives in partnership with the Philippine Red Cross, Ever Commonwealth, GMA Regional Stations, LTFRB, cadets of the Philippine Military Academy and soldiers of ARMOR (PAMBATO) Division, 1st Marine Brigade, Philippine Marine Corps and Training Command, Philippine Army.

MARCH

28,106

**Operation Bayanihan**

**13,304** individuals in Tarragona and Caraga, Davao Oriental affected by the shear line were given relief goods.

**14,300** individuals in Enrile, Cagayan, Bulalacao, Oriental Mindoro and San Agustin, Isabela affected by the drought were given relief goods.

**Women's Health Month**

**502** women from Rizal, Laguna, Camarines Sur and Cebu were given free PAP smears, breast examinations and reproductive healthcare lectures.

APRIL

28,020

**Operation Bayanihan**

**26,000** individuals in Iloilo, Antique, Ilocos Norte, Oriental Mindoro and Benguet affected by drought were given relief goods.

**Kalusugan Karavan**

**2,020** individuals in Sta. Marcela, Apayao benefited from free medical services and consultations on pulmonology, otolaryngology (ENT), pediatrics, obstetrics, gynecology and ophthalmology.

## YEAR AT A GLANCE &amp; MONTHLY HEALTH PROJECTS

MAY

17,676

**Operation Bayanihan**

**12,450** individuals in Samar and Maguindanao affected by drought were given relief goods.

**4,200** individuals in Lucena, Quezon affected by Typhoon Aghon were given relief goods.

**Hypertension Awareness Month**

**200** individuals in Bangar, La Union and San Enrique, Negros Occidental were given FBS, cholesterol, uric acid, urinalysis, ECG, HIV, STI, Hepatitis B, and lipid profile laboratory tests, medicine, food and bicycles for 3 people.

**Mother's Day**

**512** women from Dumaguete, Negros Oriental, San Simon, Pampanga and Lucban, Quezon were given free PAP smears, breast examinations, reproductive health lectures and care packages.

**Kapuso School Development**

**114** students benefited from the construction of 3 Kapuso-type classrooms at Dagadag Elementary School in Mankayan, Benguet.

**Kapuso Ng Kalikasan**

**200** individuals benefited from the planting of pine trees at Dagadag Elementary School in Mankayan, Benguet.

JUNE

72,703

**Operation Bayanihan**

**12,500** Mt. Kanlaon volcanic eruption survivors in Negros Occidental were given relief goods.

**Prostate Cancer Awareness Month and Father's Day**

**203** men from Bais City, Negros Oriental and Iligan City, Lanao del Norte were given free check-ups, ECG, Prostate Specific Antigen (PSA), DRE, FBS, lipid profile and urinalysis laboratory tests, medicine and food.

**Unang Hakbang Sa Kinabukasan 2024**

**60,000** incoming Kindergarten and Grade 1 pupils from nationwide provinces of Abra, Palawan, Apayao, Nueva Vizcaya, Kalinga, Zambales, Ifugao, Benguet, Eastern Samar, Samar, Southern Leyte, Leyte, Siquijor, Guimaras, Antique, Lanao del Norte, Sarangani, Agusan del Sur, Tawi-Tawi, Davao de Oro, Davao Oriental, Surigao del Sur, Misamis Occidental, Maguindanao del Norte and Sulu were given Kapuso school bags with complete sets of school supplies.

JULY

39,841

**Operation Bayanihan**

**6,000** individuals in Pagalungan, Maguindanao del Sur and Datu Piang, Maguindanao affected by the flooding brought about by the shear line were given relief goods.

**33,746** individuals in Quezon City, Marikina, Malabon, Navotas, San Juan City and Rizal affected by the Habagat enhanced by Typhoon Carina were given relief goods.

**National Disability Prevention and Rehabilitation Week**

**67** physically impaired individuals in Eastern Samar received new wheelchairs (adult and pediatric).

**28** beneficiaries from Roxas, Oriental Mindoro received arm prostheses and wheelchairs from KF partners, LN4 Foundation and Naked Wolves Philippines.

AUGUST

12,315

**Operation Bayanihan**

**8,000** individuals affected by the MT Terranova oil spill in Bataan and Cavite were given relief goods.

**2,400** individuals in Mansalay, Mindoro affected by the lockdown caused by an NPA encounter were given relief goods.

**Sight Saving Month: Kapuso 20/20**

**231** individuals from the NCR and Biliran were given free reading and corrective eyeglasses and eye check-ups.

**Kalusugan Karavan**

**826** individuals in Bago City, Negros Occidental benefited from the free medical consultations and laboratory services including CBC, urinalysis, RBS, ECG, and breast screening, and were also given free haircuts and food.

**858** individuals in Marilao, Bulacan benefited from free medical consultations, tooth extractions, eye check-ups and eyeglasses distribution.

## YEAR AT A GLANCE &amp; MONTHLY HEALTH PROJECTS

SEPTEMBER

49,864

**Operation Bayanihan**

**33,064** individuals affected by Typhoon Enteng in Rizal, Cavite, Camarines Sur, Samar, Bulacan and Valenzuela City were given relief goods.

**4,800** individuals affected by the African Swine Fever in Lobo, Batangas were given relief goods.

**6,000** Mt. Kanlaon volcanic eruption survivors in Canlaon City and La Castellana, Negros Occidental were given relief goods.

**6,000** individuals affected by Typhoon Ferdie in Roxas and Taytay, Palawan were given relief goods.

OCTOBER

65,405

**Operation Bayanihan**

**44,066** fisherfolk affected by Typhoon Kristine in Quezon, Camarines Sur, Batangas, Albay, Cagayan, Albay and Isabela were given relief goods.

**5,200** fisherfolk affected by Typhoon Enteng in Pililla, Rizal were given relief goods.

**14,100** individuals affected by Typhoon Julian in Itbayat, Basco, Ivana, Mahatao, Uyagan and Sabtang, Batanes were given relief goods.

**Linis Lusog Kapuso ng Kabataan**

**539** public elementary students from Himamaylan City, Negros Occidental had tooth extractions, and also participated in hand washing and tooth brushing drills.

**1,500** public elementary students from Bayambang, Pangasinan received hygiene kits, fluoride varnish application and tooth extractions; they also participated in hand washing and tooth brushing drills in line with the Global Hand Washing Week.

**NOVEMBER****50,087****Operation Bayanihan**

**30,500** individuals affected by Typhoons Marce and Nika in Aurora, Cagayan, Isabela and Batanes were given relief goods.

**19,032** individuals affected by Typhoon Pepito in Camarines Norte, Camarines Sur, Rizal and Catanduanes were given relief goods.

**Silong Kapuso**

**424** individuals affected by Typhoon Julian in the province of Batanes were given roofing sheets for their damaged houses.

**Newborn Screening Caravan**

**131** newborn babies from Pililla, Rizal, Tayabas, Quezon and Lipa, Batangas were given free newborn screening tests in partnership with the Department of Health-CALABARZON, and gift packages from donors were also given.

**DECEMBER****66,202****Give-A-Gift: Distributions of Noche Buena Packs**

**50,000** children from 312 public elementary schools in Luzon, Visayas and Mindanao received Give-A-Gift bags containing Noche Buena grocery packs and toys.

**16,000** Mt. Kanlaon volcanic eruption survivors in Bago City, La Carlota and La Castellana, Negros Occidental were given relief goods.

**Give-A-Gift: Surgical Project**

**185** patients from Negros Occidental and Cebu underwent major and minor surgeries in partnership with the World Surgical Foundation, Philippines.

**Kapuso Cancer Champions**

**17** kids afflicted with cancer received free chemotherapy medicine and blood bags in partnership with the Philippine Red Cross.

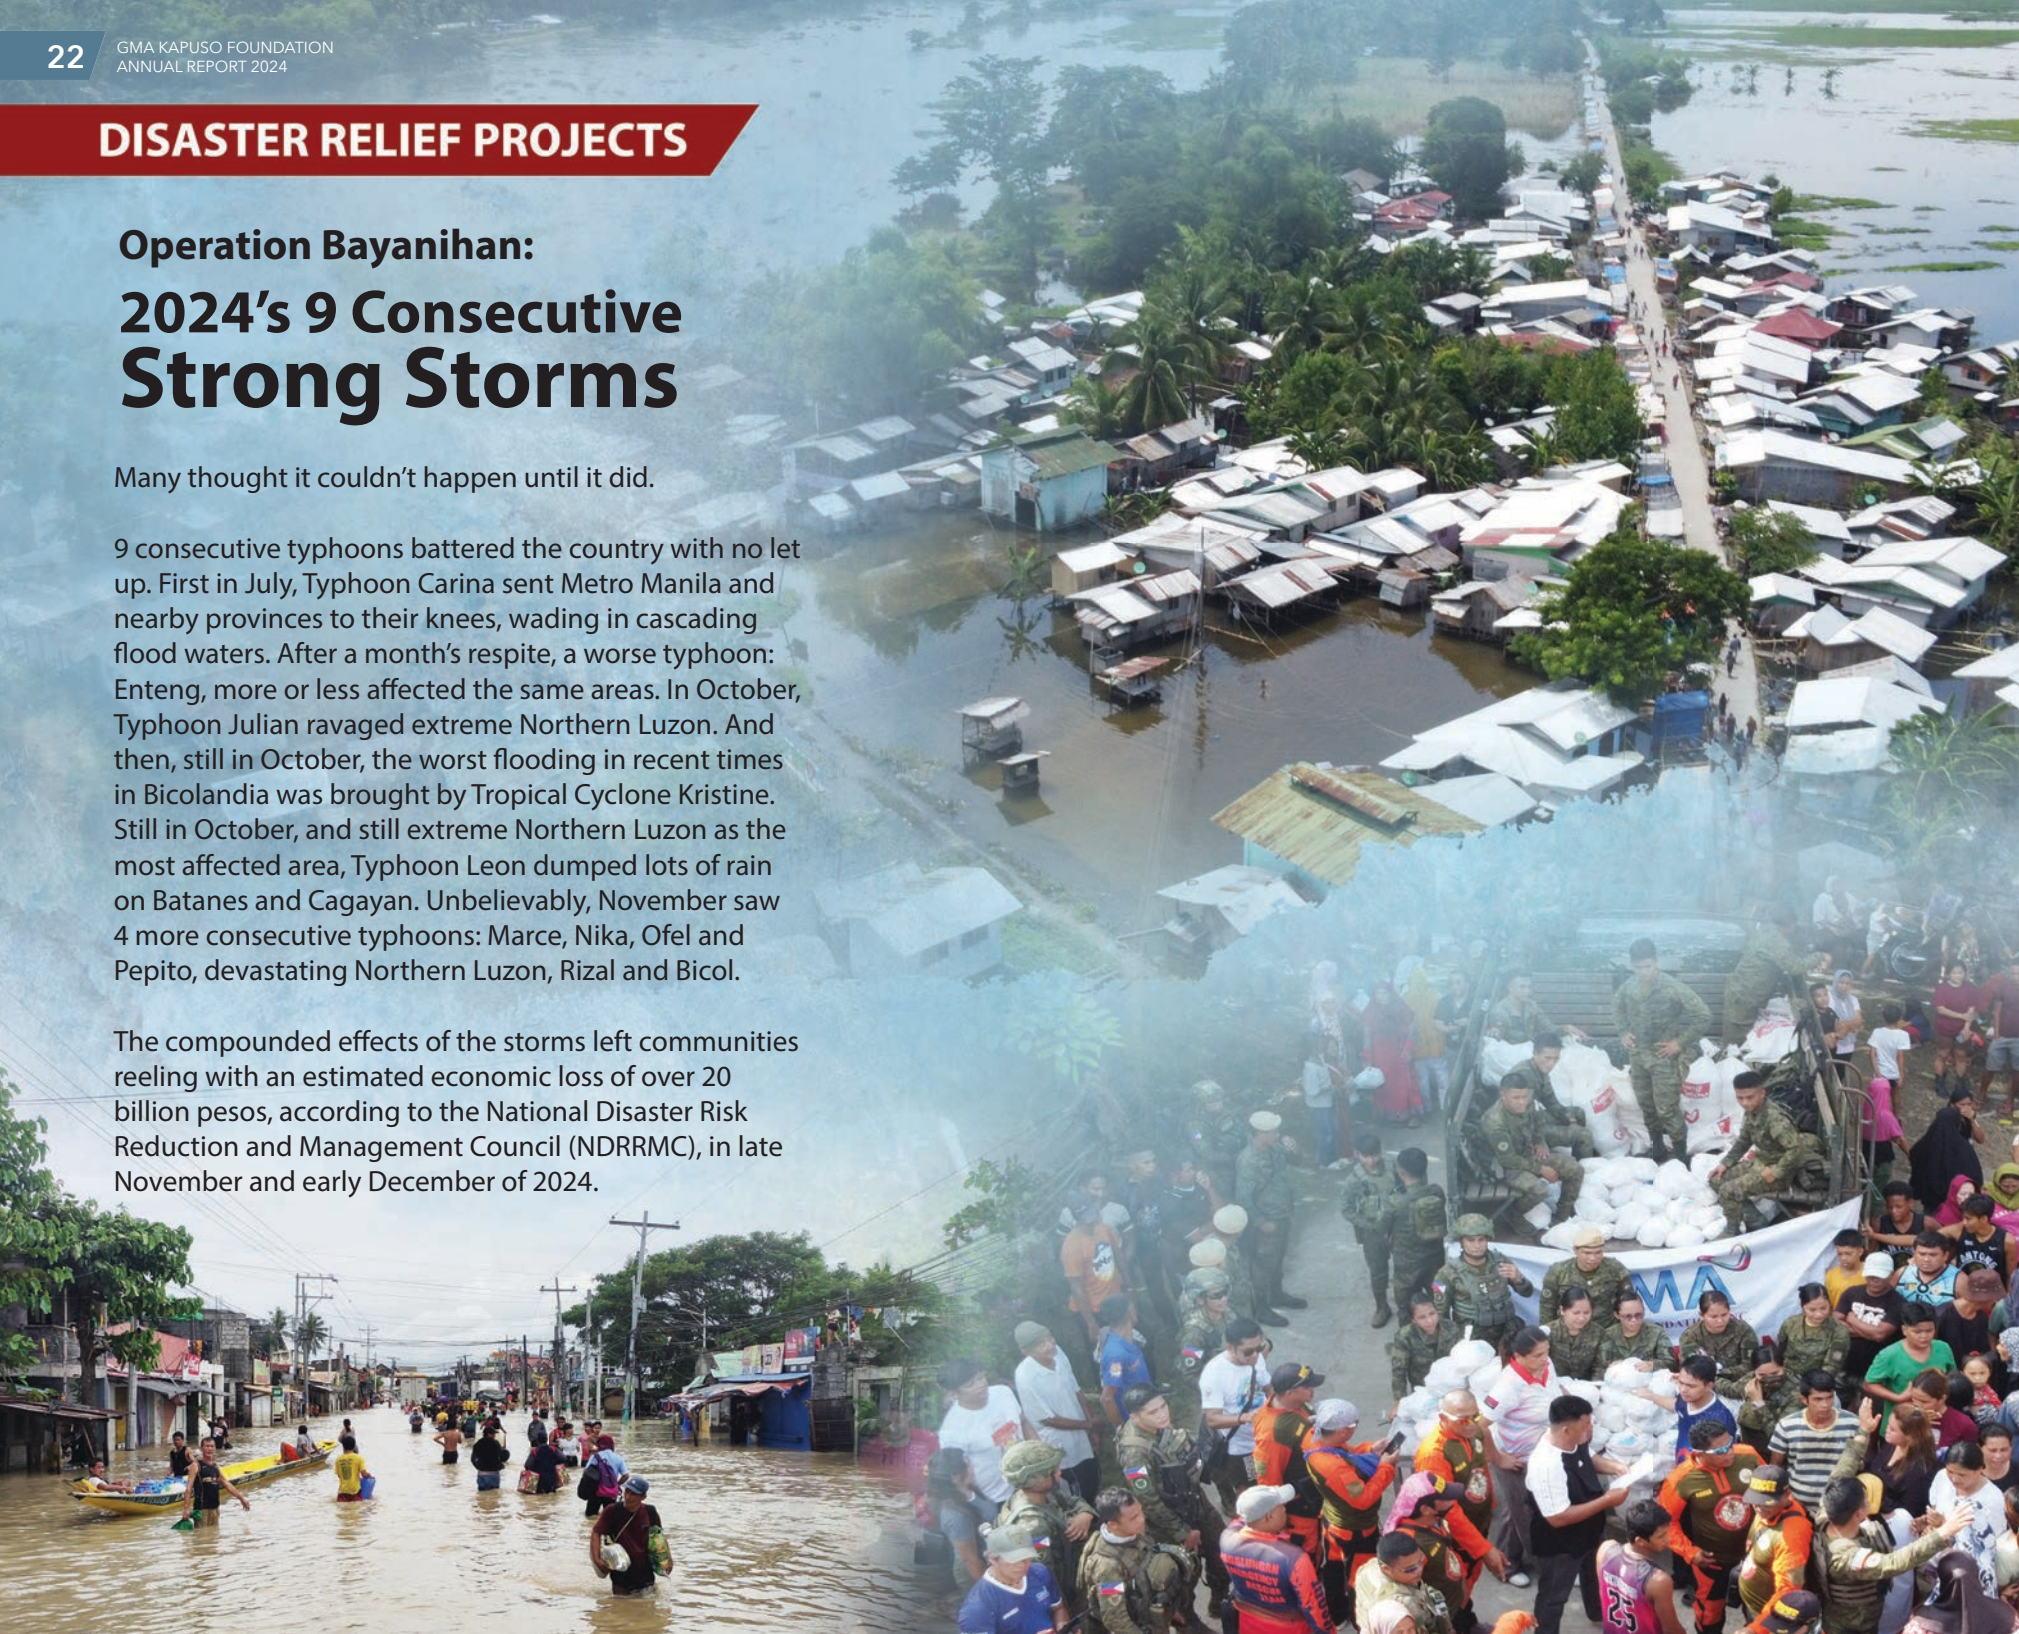

## DISASTER RELIEF PROJECTS

### Operation Bayanihan: 2024's 9 Consecutive Strong Storms

Many thought it couldn't happen until it did.

9 consecutive typhoons battered the country with no let up. First in July, Typhoon Carina sent Metro Manila and nearby provinces to their knees, wading in cascading flood waters. After a month's respite, a worse typhoon: Enteng, more or less affected the same areas. In October, Typhoon Julian ravaged extreme Northern Luzon. And then, still in October, the worst flooding in recent times in Bicolandia was brought by Tropical Cyclone Kristine. Still in October, and still extreme Northern Luzon as the most affected area, Typhoon Leon dumped lots of rain on Batanes and Cagayan. Unbelievably, November saw 4 more consecutive typhoons: Marce, Nika, Ofel and Pepito, devastating Northern Luzon, Rizal and Bicol.

The compounded effects of the storms left communities reeling with an estimated economic loss of over 20 billion pesos, according to the National Disaster Risk Reduction and Management Council (NDRRMC), in late November and early December of 2024.

Catanduanes

Albay

Camarines Sur

Talisay, Batangas

9th Infantry Division, Philippine Army  
Pili, Camarines Sur

A total of 1,499 road sections and 262 bridges across Luzon were rendered impassable. GMA Kapuso Foundation had to use presidential choppers lent by President Marcos to reach cut off barangays in Libon, Albay, impassable and unreachable for at least 5 days due to landslides.

Over 316,358 houses were damaged, with Regions 1, 2, and the Cordillera Administrative Region (CAR) bearing significant losses. The damage to infrastructure reached an estimated P13.7 billion, with P10.57 billion from Storms Kristine and Leon alone. Damage to agriculture amounted to over P7.47 billion. This included significant destruction to irrigation systems, valued at P1.16 billion, leaving thousands of farmers grappling with uncertainty as vast tracts of farmland were inundated or destroyed. The human cost was also harrowing, with 174 fatalities, 148 injuries, and 25 individuals still missing as of December 2024.

## DISASTER RELIEF PROJECTS

Your GMA Kapuso Foundation responded to the worst disasters and distributed relief goods and aid to over 175 thousand individual beneficiaries.

Typhoon Name	Duration	Beneficiaries	Target Area
AGHON	May 26-28, 2024	4,200	7 Sitios in Lucena City, Quezon were given relief goods.
BUTCHOY	July 20-21, 2024		Outside the PAR
CARINA	July 25, 2024	33,746	Quezon City, Marikina, Malabon, Navotas, San Juan City and Rizal were given relief goods.

### Silong Kapuso Sa Batanes

Super Typhoon Julian brought in violent winds to Batanes and the northeastern Babuyan Islands, passing near Sabtang Island on September 30, 2024. Homes were destroyed which prompted GMAKF to provide roofing and construction materials to 25 partially damaged houses at Barangay Sumnanga in Sabtang Island which is largely inhabited by indigent locals.

Under its Silong Kapuso Project, GMAKF gave lumber, corrugated roofing sheets, ridge rolls and nails which were shipped via a Philippine Navy ship through the Office of Civil Defense. Similar roofing material plus a donation of 10 cement bags per affected household were also given to 106 residents with totally damaged houses. These totally damaged homes are located and spread out among the six municipalities of Batanes: Basco, Itbayat, Ivana, Mahatao, Sabtang and Uyugan.

## EDUCATION PROJECTS

**BEFORE****AFTER**

### Construction of Dagadag Elementary School in Mankayan, Benguet

Typhoon Egay battered Benguet and nearby provinces in July 2023, destroying crops and schools. GMA Kapuso Foundation responded to the need of building a sturdy school for the children of vegetable and flower farmers in Mankayan, Benguet whose livelihood got badly affected by Typhoon Egay.

On May 22, 2024, three Kapuso-type classrooms with three restrooms were built and inaugurated at Dagadag Elementary School, serving 114 Kindergarten to Grade 6 students who mostly belong to the Kankan-ey Indigenous People.

Now, this hardworking community has a typhoon-resilient school that protects the students and teachers from hazardous weather.

### Kapuso Tulay Para Sa Kaunlaran Ng Mansalay at Bulalacao, Oriental Mindoro

GMAKF broke ground for its 9th Kapuso bridge, in Mansalay and Bulalacao, Oriental Mindoro on May 30, 2024.

Over 1600 individuals from 7 barangays between the 2 municipalities were to benefit from the Kapuso steel and concrete structure, mostly belonging to the Mangyan indigenous people.

A pivotal partner was the AFP Southern Luzon Command which tasked its brigade and battalion to secure the area and help ferry materials and supplies to the bridge site.

Unfortunately, the weather took a turn for the worse in July and would not improve for the remainder of the year in Southern Luzon.

Consequently, the bridge site which traverses a river became impassable as its gentle waters in summer became a raging force in the rainy season.

Due to the consecutive storms of 2024, work on the bridge had to be postponed pending better weather in 2025.

Special thanks to our sponsors whose support was integral to the eventual completion of the Kapuso Tulay Para Sa Kaunlaran ng Mansalay at Bulalacao, Oriental Mindoro:

PPG Coating, Philippines – paint  
Eagle Cement Corporation – cement  
Equator Energy Corporation – solar lamps  
Starlite Ferries – cargo

### Unang Hakbang Sa Kinabukasan 2024

Motivation drives children to go to school, and the provision of school supplies encourages these kids to pursue their studies.

The annual Unang Hakbang Sa Kinabukasan provides customized school bags with complete sets of school supplies to incoming Kindergarten and Grade 1 learners. From July to August, 60,000 public elementary students from Luzon, Visayas and Mindanao received the said educational supplies.

### Shop for a Cause: Celebrity Ukay-Ukay at the Noel Bazaar 2024

The Celebrity Ukay-Ukay booths for the Noel Bazaar at Okada Manila, the World Trade Center in Pasay and at the Filinvest Tent in Alabang were once again flooded with shoppers from November to December of 2024.

Spearheaded by Cut Unlimited, Inc. led by CEO Mayose Gozon-Bautista and co-presented by GMA Network, the Noel Bazaar sold a variety of goods from diverse merchants to avid shoppers. Part of the proceeds funded GMA Kapuso Foundation's Unang Hakbang Sa Kinabukasan project.

GMA Kapuso Foundation's Celebrity Ukay-Ukay booths at the Noel Bazaar sell pre-loved clothes and other donated personal items of Kapuso stars, GMA Integrated News and Public Affairs personalities, and Kapuso entertainment shows by the GMA Entertainment Group Visual Applications Unit (VAU). Live Celebrity Auctions hosted by Barangay LS 97.1 DJs also featured Kapuso celebrities who auctioned off their branded and special items to fans. Proceeds of the Celebrity Ukay-Ukay and Celebrity Auction support GMA Kapuso Foundation's educational and disaster relief projects.

Noel Bazaar 2024 was attended by Noel Bazaar Ambassadors Sanya Lopez, Kylie Padilla, Kyline Alcantra and Shuvee Etrata. Performers were Jennylyn Mercado, Pokwang, Gazini Ganados, Rein Hillary, Cloud 7, Marco Masa, Ashley Sarmiento, Gaea Mischa, Radson Flores, Mitzi Josh, Lyra Micolob, Nadj Zablan, Muriel Lomadilla, Jennifer Maravilla, Keisha Serna and Zyren Dela Cruz.

We are grateful to our donors for turning over their pre-loved items to KF's Celebrity Ukay-Ukay 2024: Mel Tiangco, Dingdong Dantes, Emil Sumangil, Kim Atienza, Arnold Clavio, Suzie Entrata-Abrera, Susan Enriquez, Mariz Umali, Pia Arcangel, Angel Guardian, Justin and Pablo of SB19, Gazini Ganados, Rein Hillary, Kuh Ledesma, Jennylyn Mercado, Pokwang, Cloud 7, Marco Masa, Ashley Sarmiento, Kylie Padilla, Kyline Alcantara, Christian Bautista, Nelson Canlas and Boy Abunda.

**BEFORE****AFTER**

## Subject of Appeal Case

### Special Feature: The Little Girl with 3 Arms

One of our SOA cases was Atheena Sevilla, 6 years old, and a talented young artist with a third arm growing on her back. The said arm is from her parasitic twin which never developed. The arm has a tiny hand, fully able to feel. Nails grow as they would on a normal hand, with extra sensitive flesh. Unfortunately, removing Atheena's third arm was not a simple matter. An MRI scan revealed that Atheena's extra arm was directly attached to her spinal cord and therefore, her brain.

Atheena's parents are father Rodolfo Sevilla, a 38 year-old construction worker and mother Mercy Corpin, a 28 year-old laundry woman.

Before she was cleared for the delicate operation, Atheena first had to undergo a battery of tests and had to gain weight. She only weighed a little over 14 kilograms and needed to be at least 18kg for her age.

After several sessions of MRI scans, repetitive laboratory tests and a diet designed to make her gain weight, Atheena was finally cleared for surgery. Operating on Atheena was Kapuso volunteer pediatric surgeon and former president of the Pediatric Surgeons Association of the Philippines, Dr. Beda Espineda, and Dr. Jose Aguilar — both from our partner hospital Philippine Children's Medical Center (PCMC ). Finally, on April 25, 2024, Atheena's third arm was finally and successfully removed.

Now, Atheena can lead a normal life, lie down flat on her back and wear regular clothes, thanks to the surgical expertise of our Kapuso surgeons, Doctors Espineda and Aguilar. To God be the glory for making this miracle possible!

### Kapuso Cancer Champions

Perhaps there is no concrete answer to the question why children must suffer debilitating diseases. What we can only do is to give our best to alleviate their pain and be there for them and their families.

GMA Kapuso Foundation's Give-A-Gift: Kapuso Cancer Champions project helped 17 cancer-stricken children through the provision of chemotherapy treatment and blood bags for necessary transfusions in partnership with the Philippine Red Cross.

We admire and support the loving parents for their sacrifices and for putting the needs of their sick children above their own.

## Kapuso ng Kalikasan

The conservation of nature is undeniably a must, especially with the dangerous and ever increasing threat of global weather fluctuations. The Kapuso ng Kalikasan project helps protect the environment by spearheading the planting of native trees in disaster-stricken provinces where we have built Kapuso-type schools.

Super Typhoon Egay devastated the province of Benguet in 2023 and destroyed schools. A total of 200 individuals in the vegetable-growing community benefited from the planting of pine trees at Dagadag Elementary School in the municipality of Manakayan.

Hopefully, these pine trees will grow tall and strong, protecting generations of students.

## VALUES FORMATION PROJECTS

### Sagip Dugtong Buhay

True giving entails sacrifice. The Sagip Dugtong Buhay bloodletting project challenges brave blood donors to go beyond their comfort zone for others who are in dire need of blood transfusion.

The GMA Kapuso Foundation in partnership with the Philippine Red Cross collected a total of 5,952 blood bags in 2024 from various public organizations.

We are grateful to the following for mobilizing thousands of blood donors:

Ever Commonwealth, GMA Regional Stations, the Land Transportation Franchising and Regulatory Board, the Philippine Military Academy, and the Armed Forces of the Philippines (1st Marine Brigade, Philippine Marine Corps, Armor "Pambato" Division and the Training Command of the Philippine Army).

We honor all of you for saving lives!

### Give-A-Gift: Surgical Project

In a joint project of the GMA Kapuso Foundation and the World Surgical Foundation, Philippines, surgical assistance was given to 185 patients with congenital defects from various municipalities in Negros Occidental. They underwent major and minor surgeries at the Valladolid District Hospital in Valladolid, Negros Occidental on December 10-13, 2024, noteworthy with the eruption of Mt. Kanlaon just a day before on December 9.

75 patients underwent major surgeries, and 110 patients underwent minor surgeries. The medical procedures included: hemorrhoidectomy, total thyroidectomy, open cholecystectomy, mesh hernioplasty, hernioplasty, excision of submandibular mass, lobectomy, parotidectomy, herniorrhaphy, herniotomy, laparoscopic cholecystectomy, excision of neck mass, repair of hypospadias, hydrocelectomy, hernia repair, incision biopsy, release of chordee, drainage of umbilical polyp, excision of breast mass, hernia repair, pull through, rectal biopsy, excision of giant adenoma, lipoma, scrotal exploration and cases of orchidopexy.

GMAKF provided anesthesia, sutures and post-operation medicine.

Actual surgeries done by KF partner, the World Surgical Foundation led by its President Dr. Marcus Lester Suntay in Valladolid, Negros Occidental. (December 10-13, 2024)

# FINANCIAL STATEMENTS

December 31, 2024 and 2023

## INDEPENDENT AUDITOR'S REPORT

The Board of Trustees  
GMA Kapuso Foundation, Inc.

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of GMA Kapuso Foundation, Inc. (a nonstock, nonprofit organization) (the Foundation), which comprise the statements of assets, liabilities and fund balance as at December 31, 2024 and 2023, and the statements of receipts and expenses, statements of changes in fund balance and statements of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2024 and 2023, and its financial performance and its cash flows for the years then ended in accordance with Philippine Financial Reporting Standards for Small and Medium-sized Entities (PFRS for SMEs) Accounting Standard.

#### Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audit of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRS for SMEs Accounting Standard, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on the Supplementary Information Required Under Revenue Regulations No. 15-2010**

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information required under Revenue Regulations 15-2010 in Note 16 to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of the management of GMA Kapuso Foundation, Inc. The information has been subjected to the auditing procedures applied in our audit of the basic financial statements. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

## GMA KAPUSO FOUNDATION, INC.

(A Nonstock, Nonprofit Organization)

### NOTES TO FINANCIAL STATEMENTS

#### 1. Corporate Information

GMA Kapuso Foundation, Inc. (the Foundation) was incorporated in the Philippines and registered with the Philippine Securities and Exchange Commission (SEC) on April 24, 1991 as a nonstock, nonprofit organization under the laws of the Republic of the Philippines. The primary activity of the Foundation is to engage in philanthropic, humanitarian and charitable activities for public welfare. The registered office address of the Foundation is GMA Network Center, EDSA corner Timog Avenue, Brgy. South Triangle, Diliman, Quezon City.

As a nonstock, nonprofit organization, the Foundation is exempt from income tax under the conditions set forth in Section 30 (E) of the National Internal Revenue Code (NIRC).

On February 28, 2024, the Philippine Council for NGO Certification (PCNC) renewed the accreditation of the Foundation for five (5) years from February 28, 2024 to February 27, 2029. Subsequently, on October 3, 2024, the BIR issued a Certificate of Registration (COR) to the Foundation. This certification acknowledges the Foundation's status as a duly accredited donee institution in accordance with the provisions of Revenue Regulations (RR) No. 13-98 dated December 8, 1998. Accordingly, donations received by the Foundation shall entitle donors to the full or limited deduction pursuant to Section 34 (H)(1) or (2) and exemption from donor's tax pursuant to Section 101 (A)(2) of the National Internal Revenue Code of 1997, as amended. This certification is valid until August 9, 2027.

On September 19, 2023, the Bureau of Internal Revenue (BIR) renewed the Foundation's Certificate of Tax Exemption from income tax only on the revenues or receipts from projects and donations valid for three (3) years from September 19, 2023 to September 18, 2026.

The accompanying financial statements of the Foundation were approved and authorized for issuance by the Board of Trustees on March 31, 2025.

#### 2. Basis of Preparation, Statement of Compliance and Summary of Significant Accounting Policies

##### Basis of Preparation

The financial statements have been prepared on the historical cost basis. The financial statements are presented in Philippine Peso, which is the Foundation's functional and presentation currency. Amounts are rounded off to the nearest peso, except when otherwise indicated.

##### Statement of Compliance

The financial statements have been prepared in accordance with the Philippine Financial Reporting Standards for Small and Medium-sized Entities (PFRS for SMEs) Accounting Standard.

##### Summary of Significant Accounting Policies

The following is the summary of significant accounting policies applied in preparing the financial statements:

#### Current versus Noncurrent Classification

The Foundation presents assets and liabilities in statement of financial position based on current/noncurrent classification.

An asset is classified as current when it is:

- expected to be realized or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when:

- it is expected to be settled in normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Foundation classifies all other assets and liabilities as noncurrent.

#### Basic and Other Financial Instruments

The Foundation accounts for its financial instruments in accordance with Section 11, *Basic Financial Instruments*, under PFRS for SMEs Accounting Standard.

*Initial Recognition and Measurement.* Basic and other financial assets and liabilities are recognized when the Foundation becomes a party to the contracts. Basic financial instruments are measured at transaction price including transaction costs. If the contract constitutes a financing arrangement, it is measured at the present value of future payments discounted at a market rate of interest for a similar instrument, unless the assets and liabilities are classified as current and do not incorporate a finance arrangement. If interest is not at a market rate, the fair value would be future payments discounted at a market rate of interest. Other financial instruments are initially measured at fair value, which is usually their transaction price, and exclude transaction costs.

*Subsequent Recognition.* For basic financial instruments, at the end of each reporting period:

- Debt instruments, such as an account, note, or loan receivables or payables, are measured at amortized cost using the effective interest rate;
- Commitments to receive a loan are measured at cost less impairment; and
- Investments in non-convertible preferred shares and non-puttable ordinary, and preference shares that are publicly traded or their fair value can otherwise be reliably measured, are measured at fair value through profit and loss if a public market exists, otherwise at cost less impairment.

All other financial instruments are measured at fair value at the end of each reporting period, except for equity instruments (and related contracts that would result in delivery of such instruments) that are not publicly traded and whose fair value cannot be reliably determined, which are measured at cost less impairment.

As at December 31, 2024 and 2023, the Foundation's basic financial instruments consist of cash and cash equivalents, short-term investments, receivables, accounts payable and other current liabilities (excluding payable to government agencies) and due to a related party. The Foundation has no other financial instruments measured at fair value.

*Determination of Fair Value.* The standard makes use of a fair value hierarchy such as quoted prices in an active market, prices in recent transactions for the identical assets (adjusted if necessary), and use of a valuation technique (that reflects how the market would expect to price the asset and the inputs reasonably represent market expectations). Fair value, where there is no active market, is only considered reliable if the variability in the range of fair values is not significant and the probabilities of various estimates can be reasonably assessed. Fair value of a liability cannot be below the amount in a demand feature discounted to the reporting period. For all other financial instruments not listed in an active market, the fair value is determined by using appropriate valuation techniques. Valuation techniques include using arm's length transaction for an identical asset between knowledgeable, willing parties, if available, reference to current fair value of another asset that is substantially the same as the asset being measured, discounted cash flow analysis, option pricing models and other relevant valuation model.

*Impairment.* At the end of each reporting period, an assessment is made as to whether there is objective evidence of a possible impairment. If there is objective evidence of impairment, the Foundation shall recognize an impairment loss in the statement of receipts and expenses immediately.

All equity instruments regardless of significance and other financial assets that are individually significant shall be assessed for impairment individually and all other financial assets shall be assessed for impairment either individually or grouped on the basis of similar credit risk characteristics. The impairment loss of basic financial instruments at amortized cost is the difference between carrying value and the revised cash flows discounted at the original effective interest rate. The impairment loss of basic financial instruments at cost less impairment is the difference between the carrying value and best estimate of the amount that would be received if the asset were sold at the end of each reporting period.

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized (such as an improvement in the debtor's credit rating), the Foundation shall reverse the previously recognized impairment loss either directly or by adjusting an allowance account. The Foundation shall recognize the amount of the reversal in the statement of receipts and expenses immediately.

Other financial instruments carried at cost less impairment are impaired on the same basis as basic financial instruments measured in the same manner.

*Derecognition.* The Foundation derecognizes a financial asset when:

- The contractual rights to the cash flows from the financial asset expire or are settled;
- The Foundation transfers to another party substantially all of the risks and rewards of ownership of the financial asset; or
- The Foundation, despite having retained some significant risks and rewards of ownership, has transferred control of the asset to another party and the other party has the practical ability to sell the asset in its entirety to an unrelated third party.

The Foundation derecognizes financial liabilities when:

- it is extinguished, i.e., when the obligation specified in the contract is discharged, is cancelled or expires; or
- profit and loss is recognized between the carrying amount of the financial liability extinguished or transferred to another party and the considerations paid, including any non-cash assets transferred or liabilities assumed.

#### Cash and Cash Equivalents

Cash includes cash on hand and in banks. Cash in banks earn interest at the prevailing bank deposit rate. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash with original maturities of three months or less and that are subject to an insignificant risk of change in value.

#### Receivables

This account includes advances to suppliers, advances to officers and employees and interest receivable.

#### Short-term Investments

Short-term investments include highly liquid investments that are readily convertible to known amounts of cash with original maturities of more than three months but less than one year from dates of acquisition and subject to an insignificant risk of change in value.

#### Other Current Assets

Other current assets include medical insurance paid in advance and amortized over the term of the contract.

#### Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and any impairment in value.

The initial cost of property and equipment comprises its purchase price and other costs directly attributable in bringing the asset to its working condition and location for its intended use.

Expenditures incurred after the property and equipment have been put into operation, such as repairs and maintenance, are normally charged as expense in the year such costs are incurred. In situations where it can be clearly demonstrated that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as additional costs of property and equipment.

Depreciation is computed using the straight-line method, net of any estimated residual value, over the estimated useful lives of the assets, as follows:

Computer equipment	3 years
Communication equipment	3 years
Video equipment	5 years
Office and mechanical equipment	5 years
Transportation equipment	5 years
Office furniture and fixtures	5 years

If there is an indication that there has been a significant change in depreciation method, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

An item of property and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising from derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is credited or charged to current operations in the year the asset is derecognized.

Fully depreciated assets are retained in the accounts until these are no longer in use and no further depreciation is charged to current operation.

#### Impairment of Property and Equipment

At each reporting period, property and equipment is reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognized immediately in the statement of receipts and expenses.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognized for the asset (or group of related assets) in prior years. A reversal of an impairment loss is recognized immediately in the statement of receipts and expenses.

#### Other Noncurrent Assets

Other noncurrent assets pertain to investment in bonds and restricted cash in bank of the Foundation.

#### Accounts Payable and Other Current Liabilities

Accounts payable and other current liabilities are obligations on the basis of normal credit terms and do not bear interest. These are recognized in the period in which the related money, goods or services are received or when a legally enforceable claim against the Foundation is established or when the corresponding assets or expenses are recognized.

#### Fund Balance

Fund balance represents the cumulative balance of the excess of receipts over expenses.

*Restricted Fund Balance.* Restricted fund balance results from contributions for which donor imposed restrictions limit the Foundation's use of an asset or its economic benefits.

*Unrestricted Fund Balance.* Unrestricted fund balance generally results from revenue and other income that are derived from the Foundation's regular operations unless the receipts are limited by donor-imposed restrictions. The Foundation's expenses are reported as decreases in unrestricted net assets.

#### Revenue Recognition

Revenue comprises of donations, receipts for projects and interest income (collectively referred to as "receipts"). Revenue is recognized to the extent that it is probable that the economic benefits associated with the transaction will flow to the Foundation and the amount can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

*Projects and Donations.* Projects are amounts received to fund specific program of the Foundation. Donations are general fund that is used to finance any program, including medical assistance of the Foundation. Projects and donations are recognized when it is probable that the economic benefits associated with the donation will flow to the Foundation, which in most cases is upon receipt of the donation from the donors. Donations in-kind are given to designated donees immediately.

*Interest Income.* Revenue is recognized as the interest accrues, taking into account the effective yield on the asset.

#### Expenses

Expenses are recognized when a decrease in economic benefit related to a decrease in an asset or an increase of a liability has arisen that can be measured reliably.

Project costs and donation expenses are recognized on the basis of a direct association between the cost incurred and revenue recognized by the Foundation.

#### Pension Costs

The Foundation has a funded, noncontributory retirement plan covering its permanent employees.

Pension costs are determined using the projected unit credit method. The projected unit credit method considers each period of service as giving rise to an additional unit of benefit entitlement and measures each separately to build up the final obligation. Actuarial gain or loss and past service costs are recognized immediately in the statement of receipts and expenses. Gains or losses on the curtailment or settlement of pension benefits are recognized when the curtailment or settlement occurs.

#### Foreign Currency-denominated Transactions

Foreign currency gains and losses are reported on a net basis. Transactions in foreign currencies are recorded using the closing exchange rate at the dates of transactions. Monetary assets and liabilities denominated in foreign currencies are restated using the closing exchange rate at the reporting period. All differences are taken to the statement of receipts and expenses. Nonmonetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions.

#### Provisions

Provisions are recognized when the Foundation has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Foundation expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the receipt of the reimbursement is virtually certain.

#### Events after the Reporting Period

Post year-end events that provide additional information about the Foundation's financial position at the reporting period (adjusting events) are reflected in the financial statements. Post year-end events that are not adjusting events are disclosed in the notes to financial statements when material.

### 3. Significant Accounting Judgments, Estimates and Assumptions

The preparation of the Foundation's financial statements in conformity with PFRS for SMEs Accounting Standard requires the management to make judgments, estimates and assumptions that affect the amounts reported in the financial statements and related notes. Future events may occur which may cause the assumptions used in arriving at the estimates to change. The effects of any change in estimates are reflected in the financial statements as these become reasonably determinable.

Judgments, estimates and assumptions are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### Judgment

Management makes judgments in the process of applying the Foundation's accounting policies. Judgment that has the most significant effect on the reported amounts in the financial statements is discussed below.

*Determination of Restricted and Unrestricted Receipts and Expenses.* The Foundation reports receipts as restricted if these were received with donor stipulation that limits the use of the donation, otherwise it will be classified as unrestricted. Program expenses are classified as restricted following the classification of the related receipts. Should the receipts from restricted be inadequate to fund the program expenses, then the Foundation would assess whether it needs to obtain funds from the unrestricted receipts.

Restricted receipts/revenue and program expenses amounted to ₱10,901,741 and ₱6,114,847, respectively in 2024 and ₱360,600 and ₱4,668,975, respectively in 2023 (see Notes 10 and 12). Unrestricted receipts/revenues, and program and administrative expenses amounted to ₱91,558,832 and ₱99,832,074, respectively in 2024 and ₱70,785,757 and ₱100,789,096 respectively, in 2023 (see Notes, 10, 11 and 12). The accumulated restricted and unrestricted fund balance amounted to ₱20,110,120 and ₱243,031,721, respectively as at December 31, 2024 and ₱15,323,226 and ₱251,304,963, respectively as at December 31, 2023.

#### Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting period, that have a significant risk causing a material adjustment to the carrying amounts of assets and liabilities, within the next financial year, are described below.

*Assumptions on Pension Costs.* The determination of the Foundation's pension liability and pension costs is dependent on the selection of certain assumptions used by actuaries in calculating such amounts. Those assumptions are described in Note 15 and include, among others, discount rate and expected rate of salary increase. Actual results that differ from the assumptions are accumulated and recognized in the period in which it occurs.

Pension liability amounted to ₱630,430 and ₱603,733 as at December 31, 2024 and 2023, respectively (see Note 15).

#### 4. Cash and Cash Equivalents

This account consists of:

	2024	2023
Cash on hand	<b>₱28,305</b>	₱30,000
Cash in banks	<b>38,760,047</b>	32,750,752
Cash equivalents	<b>189,924,471</b>	209,056,609
	<b>₱228,712,823</b>	₱241,837,361

Cash in banks and cash equivalents earn interest at the prevailing bank deposit rates. Cash equivalents are short-term placements made for varying periods of up to three months and earn interest at the respective short-term placement rates. Interest income earned from cash and cash equivalents amounted to ₱7,756,654 and ₱4,510,093 in 2024 and 2023, respectively.

## 5. Short-term Investments

Short-term placements with terms of more than three months, presented under “Short-term investments” account in the statements of assets, liabilities and fund balance amounted to ₱22,123,257 and ₱6,442,380 as at December 31, 2024 and 2023, respectively.

Interest income earned from short-term investments amounted to ₱746,503 and ₱68,909 in 2024 and 2023, respectively.

## 6. Receivables

This account consists of:

	2024	2023
Interest receivable	<b>₱780,298</b>	₱1,081,181
Advances to suppliers	<b>569,548</b>	1,512,000
Advances to officers and employees	<b>383,536</b>	440,500
	<b>₱1,733,382</b>	₱3,033,681

The terms and conditions of the above receivables are as follows:

- Interest receivables are normally collected within the next financial year.
- Advances to suppliers and advances to officers and employees are noninterest-bearing and are normally collected and liquidated within 30-60 days.

## 7. Property and Equipment

The movements in property and equipment are as follows:

	2024						Total
	Computer Equipment	Communication Equipment	Video Equipment	Office and Mechanical Equipment	Transportation Equipment	Office Furniture and Fixtures	
Cost	₱1,770,668	₱287,976	₱1,900,928	₱463,193	₱4,816,076	₱733,262	₱9,972,103
Accumulated Depreciation							
Balance at beginning of year	1,370,696	287,976	1,900,928	463,193	4,567,125	725,176	9,315,094
Depreciation	282,334	-	-	-	63,562	2,695	348,591
Balance at end of year	1,653,030	287,976	1,900,928	463,193	4,630,687	727,871	9,663,685
Net book value	₱117,638	₱-	₱-	₱-	₱185,389	₱5,391	₱308,418

	2023						Total
	Computer Equipment	Communication Equipment	Video Equipment	Office and Mechanical Equipment	Transportation Equipment	Office Furniture and Fixtures	
Cost	₱1,770,668	₱287,976	₱1,900,928	₱463,193	₱4,816,076	₱733,262	₱9,972,103
Accumulated Depreciation							
Balance at beginning of year	1,088,362	284,998	1,900,928	463,193	4,453,188	722,481	8,913,150
Depreciation	282,334	2,978	-	-	113,937	2,695	401,944
Balance at end of year	1,370,696	287,976	1,900,928	463,193	4,567,125	725,176	9,315,094
Net book value	₱399,972	₱-	₱-	₱-	₱248,951	₱8,086	₱657,009

## 8. Other Noncurrent Assets

On October 10, 2023, the Foundation invested a total of USD333,400 funds to a five and a half (5.5)-Year Retail Onshore US Dollar Bonds with a fixed interest of 5.75% per annum, issued by the Republic of the Philippines through the Bureau of Treasury that will mature on April 11, 2029. These investment in bonds amounted to ₱19,285,523 and ₱18,460,357 as at December 31, 2024 and 2023, respectively.

Interest income earned from investment in bonds amounted to ₱1,110,943 and ₱238,233 in 2024 and 2023, respectively.

On June 9, 2015, the Foundation received a Provisional Asset Preservation Order (PAPO) against a donation received from a donor with an ongoing legal proceeding. The issued PAPO on the Foundation's bank account immediately forbids any transaction, withdrawal, deposit, transfer, removal, conversion, concealment or other disposition of the cash amounting to ₱1,000,000 in the said account. The said donation was deposited in a separate restricted bank account of the Foundation.

## 9. Accounts Payable and Other Current Liabilities

This account consists of:

	2024	2023
Accounts payable	₱7,427,854	₱1,968,497
Payable to government agencies	263,057	697,035
Retention payable	239,915	202,941
Accrued expenses	158,405	166,348
	<b>₱8,089,231</b>	<b>₱3,034,821</b>

The terms and conditions of the above liabilities are as follow:

- Accounts payable, retention payable and accrued expenses are noninterest-bearing and are normally settled within the next financial year. Accrued expenses pertain to administrative expenses.
- Payable to government agencies are comprise of statutory contributions and other taxes which remitted within 30 days after reporting period.

## 10. Projects

Receipts for various projects are as follows:

	2024	2023
Restricted:		
Kapuso School Rehabilitation/Development	₱—	₱302,000
Operation Bayanihan	10,901,741	58,600
	<b>10,901,741</b>	<b>360,600</b>
Unrestricted:		
Operation Bayanihan	14,831,353	9,825,527
Kapuso School Rehabilitation/Development	3,181,233	1,426,232

(Forward)

	2024	2023
Kalusugan Karavan	<b>₱1,729,340</b>	₱568,605
Give a Gift	<b>1,705,249</b>	6,182,664
Bisig Bayan	<b>1,615,256</b>	46,284
Sagip Dugtong Buhay	<b>424,800</b>	831,789
Linis Lusog Kapusong Kabataan	<b>371,203</b>	100,548
Unang Hakbang sa Kinabukasan	<b>180,630</b>	475,967
Kapuso para sa Kalikasan	—	30,151
	<b>24,039,064</b>	19,487,767
	<b>₱34,940,805</b>	₱19,848,367

Brief descriptions of the Foundation's projects are as follows:

- Operation Bayanihan - a quick relief response to victims of natural and man-made disasters anywhere in the country.
- Kapuso School Rehabilitation/Development - includes a school-based program and reconstruction of demolished bridges.

School-based program aims to foster integral education to provide students of underserved public schools, both primary and secondary, of the following:

- Decent and functional classrooms which are conducive for learning;
- Water distribution and sanitation facilities; and
- Environmental awareness through tree-planting around the school building.

Reconstruction of demolished bridges program aims to connect remote communities to trade and learning centers.

- Kalusugan Karavan - a roving medical mission in far-flung areas where basic health services are not accessible.
- Give a Gift (GAG) - the yearly distribution of customized Christmas packages to underprivileged children from poor and far-flung areas. To address specific needs of some of these children, the GAG evolved into sub-projects such as the GAG: Feeding, GAG: Surgical, GAG: Cancer Kid and GAG: Distribution.
- Bisig Bayan - special projects in line with the monthly themes of the Department of Health such as Ngiting Kapuso, Serbisyong Alay Sa Kababaihan, Operation Tuli, Serbisyong Alay Sa Kalalakihan, Wheelchair and Hearing Aid Giving, Kapuso 20/20, Echocardiogram Testing, and Blood Sugar Testing.
- Sagip Dugtong Buhay - an annual bloodletting project which promotes volunteerism by donating blood to help save lives and extend the lives of others.
- Linis Lusog Kapusong Kabataan – aims to promote and teach students, teachers and parents of proper hand washing, oral hygiene, nail cutting and head lice treatment.
- Unang Hakbang sa Kinabukasan - yearly school opening project for incoming Grade 1 students from poor and remote public elementary schools nationwide where they receive backpacks with complete set of school materials.
- Kapuso para sa Kalikasan – aims to promote reforestation by tree planting to prevent further erosion and landslides, particularly in areas affected by widespread flooding and deadly landslides.

## 11. Donations

Donations received are intended for the following purposes:

	2024	2023
General fund	<b>₱52,868,317</b>	₱30,605,625
Medical assistance	<b>27,579</b>	15,875,130
	<b>₱52,895,896</b>	₱46,480,755

Donations received by the Foundation were from various corporations and individuals.

## 12. Program Expenses

Project cost for various projects are as follows:

	2024	2023
Restricted:		
Kapuso School Rehabilitation/Development	<b>₱3,148</b>	₱4,482,421
Operations Bayanihan	<b>6,111,699</b>	186,554
	<b>6,114,847</b>	4,668,975
Unrestricted:		
Operation Bayanihan	<b>28,125,167</b>	11,187,021
Unang Hakbang sa Kinabukasan	<b>19,997,585</b>	21,022,602
Give a Gift	<b>17,409,572</b>	23,928,289
Kapuso School Rehabilitation/Development	<b>12,817,468</b>	10,649,808
Kalusugan Karavan	<b>2,671,285</b>	573,349
Bisig Bayan	<b>2,254,763</b>	466,942
Sagip Dugtong Buhay	<b>833,943</b>	1,152,990
Linis Lusog Kapusong Kabataan	<b>500,604</b>	178,928
Kapuso para sa Kalikasan	<b>-</b>	30,151
	<b>84,610,387</b>	69,190,080
	<b>₱90,725,234</b>	₱73,859,055

Salaries and wages amounting to ₱3,892,720 and ₱4,109,091 in 2024 and 2023, respectively, pertain to salaries of project-related employees.

Donation expense amounting to ₱794,744 and ₱15,677,641 in 2024 and 2023, respectively, were used for expenses incurred in providing medical assistance to specific indigent patients identified by the donors requiring extensive medical treatment.

## 13. Donations In-kind

In 2013, the Foundation started maintaining a summary of in-kind donations and its corresponding value. Amount of in-kind donations is based on the value disclosed by the donor. In-kind donations were valued at ₱22,412,734 and ₱28,387,513 in 2024 and 2023, respectively.

#### 14. Compensation and Employee Benefits

	2024	2023
Salaries and wages	<b>₱6,510,727</b>	₱6,285,687
Pension costs (benefit) (Note 15)	<b>510,743</b>	596,881
	<b>₱7,021,470</b>	₱6,882,568

#### 15. Pension Liability

The Foundation has a funded, non-contributory retirement plan covering its permanent employees. In 2024 and 2023, the Foundation contributed to a retirement fund managed by a trustee bank.

Under the existing regulatory framework, Republic Act 7641 requires a provision for retirement pay to qualified private sector employees in the absence of any retirement plan in the entity, provided however that the employee's retirement benefits under any collective bargaining and other agreements shall not be less than those provided under the law. The law does not require minimum funding of the plan.

Under PFRS for SMEs Accounting Standard, the cost of defined benefit obligations, including those mandated under Republic Act 7641 should be determined using an accrued benefit valuation method or projected benefit valuation method to be determined by an independent actuary.

The following tables summarize the components of retirement costs recognized in the statements of receipts and expenses and pension liability recognized in the statements of assets, liabilities and fund balance as at and for the years ended December 31, 2024 and 2023.

Pension costs recognized in statements of receipts and expenses are as follows:

	2024	2023
Current service cost	<b>323,734</b>	₱320,497
Interest cost	<b>268,303</b>	268,738
Net actuarial loss (gain)	<b>108,440</b>	155,156
Expected return on plan assets	<b>(189,734)</b>	(147,510)
	<b>₱510,743</b>	₱596,881

Details of net pension liability are as follows:

	2024	2023
Present value of defined benefit obligations	<b>₱4,809,523</b>	₱4,398,408
Fair value of plan assets	<b>(4,179,093)</b>	(3,794,675)
Pension liability	<b>₱630,430</b>	₱603,733

The changes in the present value of the defined benefit obligation are as follows:

	2024	2023
Balance at beginning of year	<b>₱4,398,408</b>	₱3,597,559
Current service cost	<b>323,734</b>	320,497
Interest cost	<b>268,303</b>	268,738
Net actuarial loss (gain)	<b>(180,922)</b>	211,614
Balance at end of year	<b>₱4,809,523</b>	₱4,398,408

The changes in the fair value of plan assets are as follows:

	2024	2023
Balance at beginning of year	<b>₱3,794,675</b>	₱2,950,193
Contribution	<b>484,046</b>	640,514
Expected return on plan assets	<b>189,734</b>	147,510
Actuarial gain	<b>(289,362)</b>	56,458
Balance at end of year	<b>₱4,179,093</b>	₱3,794,675

The Foundation's plan assets as at December 31, 2024 and 2023 consist of time deposits.

At each reporting period, the Foundation determines its contribution based on the performance of its retirement fund.

The funds are managed and supervised by Trustee banks for the benefits of the plan members. However, the general administration of the funds is vested in a Retirement Committee.

The latest actuarial valuation report obtained is at December 31, 2023.

The principal assumptions used in determining pension liability of the Foundation's retirement plan are as follows:

	2024	2023
Discount rate	<b>6.33%</b>	<b>6.10%</b>
Expected rate of salary increase	<b>1.01%</b>	<b>4.00%</b>

## 16. Related Party Transactions

Parties are considered to be related if one party has the ability, directly and indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. This includes: (a) individuals owning, directly or indirectly through one or more intermediaries, control or are controlled by, or under common control with the Foundation; (b) associates; and (c) individuals owning, directly or indirectly, an interest in the voting power of the Foundation that gives them significant influence over the Foundation and close members of the family of any such individual. In considering each related party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

The Foundation, in the normal course of business, has transactions with related parties. The table below summarizes the amount of transactions entered into with related parties and the outstanding balances as at December 31.

Related Party	Category	Year	Amount of Transactions	Outstanding Receivables (Payables)	Terms and Conditions
GMA Network, Inc. (GMA)	Due to a related party	2024	<b>(122,680)</b>	<b>(₱1,427,856)</b>	On demand; noninterest-bearing; unsecured
		2023	₱733,205	(1,305,176)	
	Donations receipts	2024	<b>2,755,345</b>	—	
		2023	1,740,139	—	
Trustees	Donations receipts	2024	<b>15,950</b>	—	
		2023	259,080	—	

Due to a related party pertains to the expenses initially paid by GMA on behalf of the Foundation.

Donation receipts pertains to donations received from related parties which form part of their general fund that is used to finance any program, including medical assistance of the Foundation.

#### 17. Supplementary Information Required Under Revenue Regulations 15-2010

The Foundation reported and/or paid the following types of taxes in 2024:

##### a. Taxes and Licenses

Mayor's permit and city taxes	₱15,172
Issuance of certificate of donation	13,000
Barangay certificate renewal	4,500
Other business taxes	2,000
	<u>₱34,672</u>

##### b. Withholding Taxes

Details of total remittances and balance of withholding taxes as at December 31, 2024 are as follows:

	Accrued	Paid	Total
Expanded withholding taxes	₱97,568	₱550,356	₱647,924
Withholding taxes on compensation and benefits	10,923	142,210	153,133

##### c. Tax Assessments and Cases

As at December 31, 2024, the Foundation has no final tax assessments and cases pending before the BIR. Likewise, the Foundation has no other pending tax cases outside the administration of the BIR as at December 31, 2024.

## How to Donate

The GMA Kapuso Foundation (GMAKF) Office receives monetary and material donations from Monday to Friday, 9:00am until 5:00pm.

For monetary donations, the Foundation accepts cash or check which can be personally delivered to the GMAKF Office or deposited in its bank accounts. An official receipt is issued for donors who bring their cash donation to the GMAKF Office. For bank deposits, the donor is requested to fax or e-mail a bank transaction slip indicating intended recipient (if any) and contact details for sending of official receipt.

Donations from the U.S., Europe and other countries can be wire-transferred to the GMA Kapuso Foundation accounts indicating the "swift code" of the Philippine banks in the next page. The donor is requested to fax or e-mail a bank transaction slip indicating the intended recipient (if any) and contact details for the sending of official receipts.

Donations are also accepted free of service charge at all branches of **CEBUANA LHUILLIER** in the Philippines.

Credit card donations may also be done online but applicable service fees will be charged.

GMAKF also accepts material donations such as rice, canned goods, noodles, food items, medicines, hygiene supplies, new clothes and new footwear.

The Foundation only accepts material donations (ex. canned goods, food items and medicine) that are expiring beyond 6 months from date of acceptance. A material receipt form is issued to the donor upon delivery of material donation.

For material donations from abroad, door-to-door delivery is preferred . Please indicate the address and name of donor on the box. A material receiving form will be issued through mail or e-mail.

Thank you very much!

**You may also donate through any of our partners below:**
